Minutes of An Ordinary Meeting of Students'
Council Held in Room 30 on Monday 30th October 1944 at 6.15

The President was in the chair.

The minutes of the last meeting (Monday 9th October) were read and confirmed.

Business Arising

a. I.S.S.

The President announced that an I.S.S. Student Committee had been formed, the members being Miss. Holmes, Mr. de Voil, Mr. Palmer, Mr. Harrison ^{Mr. Hills}, Mr. Thompson, & herself. Mr. H. Smith was to function as secretary until Christmas, when Mr. Thompson was to take over. It was hoped to raise £200 for I.S.S., and there was to be an I.S.S. week, ending in a dance on the Saturday. Mr. Urry remarked that it had been hoped to hold the I.S.S. dance on November 25th, but the A. I. C. had already arranged to have a Mitchell Fund dance on that date. December 2nd was a vacant date, but would be inconvenient in view of the large number of people who would be taking examinations at that time. The only remaining possibility was to hold the dance on November 18th & this would mean that there would then be a four-week gap until the Spring-Don Dance. Mr. Hills was asked to request the Principals' permission to hold the dance on this date.

b. Guildhall Concerts.

A representative was needed to organise the rota, notices etc. regarding the sending of program sellers + ushers to the Guildhall concerts. Ten men + six women would be needed at each concert. The President read a suggested scheme for the arrangements which had been compiled by Miss Lyough. These were as follows.

- 1) A list to be put on the main notice board to be signed by all women students wishing to sell programs.
- 2) These names to be arranged alphabetically or impartially on a Permanent List.
- 3) The required number of program sellers to be selected by taking the names from the list in the order in which they appear.
- 4) Students selected to cross their names off the concert list within three days of its posting if unable or unwilling to go. The vacancies so formed to be filled by taking the next name in order on the Permanent List.
- 5) Those students who have crossed their names off the concert list, to head the list posted for the next concert, this process to be limited to three times consecutively.
- 6) A list of college program sellers to be sent to the Guildhall that none not included on the list be admitted as a program seller.
- 7) Anyone suddenly becoming unable to attend a concert should report to the student in charge of concerts if before noon on the day of the concert, or herself provide a substitute, if after noon.
- 8) Any complaints from the Guildhall to be made in writing to the student in charge of concert arrangements.

These proposals were unanimously accepted as satisfactory, + it was decided to elect a responsible person to organise the arrangements.

Mr. De Voil proposed Miss. Gough in view of the fact that she appeared to understand the matter + to be keenly interested in it; + was seconded by Mr. Harrison. In the absence of any other nominations, Miss. Gough was declared elected.

AGENDA.

N.U.S.

Miss. Robinson proposed that an N.U.S. Committee be formed comprising a ^{Secretary or Assistant} ~~Correspondence~~ Secretary, An A. Sc. W. representative, four Faculty representative, the senior student of the Educat. Dept, the N.U.S. Executive Hon. Member, + the Union President.

This was seconded by Mr. Sower who pointed out that it was required by the Constitution, that as Union Sec. he would also have to be a member of the committee.

The motion was carried unanimously.

Two delegates, Miss Stillwell + Mr. H. Russell were to attend the N.U.S. Annual Council at Manchester.

Mr. Francis remarked that last year, one delegate had gone + the expenses amounted to £4.11.8. Mr. Hills asked whether it were necessary to send two representatives as this involved having to finance them both. The President said it had been the usual practice in the past to send two, + Mr. Harrison remarked that company was rather desirable on the long journey to Manchester. Mr. Francis found that

when Mr. Leslie attended an Engineering Conference at Manchester. His expenses amounted to £3-10-0. It was decided unanimously to provide £7-0-0 to cover the expenses of both delegates.

A.O.B.

- 1) Mr. Harrison had heard that members of the S.B.R. thought that the name "Second Wessex" for the revised College Magazine indicated a connexion with the original staff publication "Wessex". It would be unfortunate if it were decided to change the name, since cheques had already been received made payable to "Second Wessex". Also Mr. Harrison intended to make it clear in the first issue that the publication bore no relationship to the old "Wessex".

It was decided unanimously that the name "Second Wessex" be kept.

- 2) Mr. Scorer proposed Miss Huden as an Associate Member of the Union. She had had four years at University College Exeter, & was now teaching at St. Anne's Convent. This proposal was seconded by Mr. de Voil. Miss Barton, ^{now at Exeter} was also proposed, & there were no objections to either proposal, both Miss Huden & Miss Barton being declared Associate Members.
- 3) Mr. Hills suggested that as Y.S.S. was to be anything but a transient organisation, the Secretary of Y.S.S.

should be a member of Student's Council. Mr de Voil remarked that it would be preferable for the S. S. S. Committee to decide this point first, + this was agreed to.

- 4) The question of the Food Committee was raised, + Mr. Jones said that Miss Tulip was the only member at present. It was decided that the election of such a committee was not necessary at the present, but could always be affected in an emergency.
- 5) Miss Harrison said that none at Highfield Hall was able to take on the Savings Group work. The Group Organiser had to be at least 21 years old, + hence very few people were eligible. The President offered to visit the National Savings Center to see what could be done in the matter.
- 6) Mr. Champion had some news with regard to the Union Library. Miss Henderson had suggested that S. S. S. should form a small Reference Library in its stead, using a grant which she believed was made annually to the Union Library. Mr. Jones had no knowledge of any such grant, + it was decided that a Reference Library was not necessary, but that a dictionary, a railway timetable, + University year books would be useful.

In the absence of any other business, the President declared the meeting closed at 6:15 p.m.

J. A. Attwood.

Minutes of An Ordinary Meeting of Students' Council
Held in Room 30 on Monday 13th November at 5.15 pm.

The President was in the chair.

The minutes of the last meeting were read & confirmed.

Business Arising.

a. National Savings

The President said that Miss Mary Hardy had agreed to take over the job of Group Organiser.

b. N.U.S. Secretary

Miss Robinson pointed out that according to the constitution, the Secretary of the Union should function as secretary of the N.U.S. Committee. Mr. Scores agreed to do so.

Correspondence.

Mr. Hills had made a written application for "Forum" to be recognised as a Union Society, requiring a grant of £6 per ann. Mr. Francis had seen the Senior Treasurer at this point, & he had pointed out that in the past, political societies had been self supporting, & this should be quite possible when so many as fifty people were interested. Also although the society professed to be impartial, the members of the committee were left wing. Mr. Francis asked if perhaps the Literary &

Dramatic Society would be willing to support the "Forum" + Mr. Urry ^{he thought} replied that it would. Mr. Hells then pointed out that "Forum" did not intend to convert anyone, but existed for the sole purpose of discussing + thrashing out political problems. It hoped to be able to have talks from outside people to promote subsequent discussion. Mr. Harrison considered that such a society was necessary to the Union + asked if the Senior Treasurer had been fully informed of its intentions. Mr. Urry said that in view of the fact that the Union was at present hard up would it be possible to make a grant of \$3 now + a further \$3 at a later date? This was accepted by Mr. Francis + by Mr. Hells. Mr. Urry then proposed that "Forum" be accepted as a Union Society under these conditions, + this was seconded by Mr. DeVail. The motion was carried unanimously.

AGENDA.

1. N.U.S. Council Report.

Miss G. Stillwell + Mr. K. Russell who had attended the N.U.S. Council were present. Mr. Russell gave a report of points discussed of interest to U.C.S.

2. A.S.W.

In some cases Student Branches of the A.S.W. were not functioning well without the Senior Branches, + in these cases, N.U.S. would be able to manage the job more efficiently. The question needed more

discussion, & more joint N.U.S./A.Sc.W. meetings were to be held.

c/ Tuberculosis Among Students

Several Universities are arranging or have arranged to have all Students examined for T.B. by Mass Radiography. It was resolved to apply to the Min. of Health for this to be universal.

c/ Dentalisation

N.U.S. intended to collect information on the return to Universities after the war of Students drafted before completing their courses.

d/ The University Vote (for Students aged 18-21 years)

Further heated discussion arose on this point. It was decided that no opinion could be formed until the question had been discussed by more Universities, & the question was to be brought up at a Council Meeting.

e/ I.S.S.

Mr. J. G. D. Smith was present & drew attention to International Student Day on 18th Nov. The question of students going to the Continent to help Universities there was almost impracticable, & anyhow the need here ^{for teachers} was very great at the present.

Miss Stillwell has been impressed by the interest shown in the proceedings by all present. Mr. May suggested that mention of I.S. Day should be made at the Rates for I.S.S. class, at the Dance. Mr. Hills said that some small supporter held a discussion on the University Vote.

2. Loss of Books From The Library.

Miss Henderson, the Librarian, had written to the President enclosing a list of books missing from the Edward Turner Sims Library, + requesting that Student Council should do everything possible to trace them. It was decided to put the list on the notice board together with a notice.

3. Union Stationer

Mr. H. B. Smith, the newly elected member, had agreed to take on the duties of Union Stationer.

A.O.B.

- 1) The President of the Home Room Committee had asked for permission to sell periodicals to certain persons who had expressed the wish to buy them, as soon as a fresh issue came out. This was agreed to mainly the proceeds to go to I.S.S. Mr. Smith asked what had happened to the periodicals in the past, + it seemed that they either been destroyed or unofficially removed. In order to avoid this in the future, it was decided to write the name of the buyer on each issue.
- 2) Mr. Harrison had received a letter from a Miss O'Connell expressing surprise at the fact that there was no representative from U.C.S. at a T.U. Congress held.

at Blackpool on Friday 10th. Miss Robinson was asked if any notification of this meeting had been received from N.U.S., & replied that this was not so. No member knew of the meeting. Miss Robinson offered to make enquiries about it & future ones. The President remarked that delegates would be required to attend an Education Conference to be held in London at Christmas.

- 3) Mr. Le Masurier remarked that A.U. wished to have a member of S.C. on the A.U. Committee. Mr. Sampson, proposed Mr. Smith seconded Mr. Hogg was elected unopposed.

Mr. Smith asked if an A.U. Budget had been presented yet. This appeared not to be so. All members agreed that the position was unnecessary & disagreeable, & the Secretary was asked to write to the A.U. Secretary pointing out the views of S.C. with regard to the requirements of the constitution on A.U. finances, & asking that the matter be brought up at next A.U. Committee meeting.

- 4) Mr. Le Masurier asked whether a Short Course Representative had been elected. Mr. Sampson had seen 1/2 dozen on the point, & had described the functions of S.C. & justified its existence, & had attempted to show the advisability of having a Short Course Rep. It was decided that the Returning Officer should address the Short Course on the matter.

In the absence of any other business the
President declared the meeting closed at 6:20 p.m.
Jacqueline A. Atwood.

The President was in the chair.

The minutes of the last meeting were read + confirmed.

Business Arising

a. Mr. Hills presented a list of the Committee of Four, the members having been elected at an Open Meeting. Mr. Hills - President, Mr. K. B. Smith - Secretary, Committee Members Miss Leane, Miss Legge + Miss Harris.

b. The President had seen the Registrar with regard to the A.U. Balance Sheet, + he had written to Mr. Shackleton saying that S.C. must have it in time for the first meeting next term.

c. Miss Robinson had enquired about the conference + Blackpool, + it appeared that it had concerned T.U. affairs which would not be of interest to Students + had therefore not been taken up by N.U.S.

d. Mr. Powell had seen Mr. Adams, + an election had been held at which Mr. Elward was elected + Short House Representative to S.C.

Correspondence.

The Secretary had received written apologies from Miss Harrison & Mr Smith for their absence from the meeting

A.O.B.

- 1) Mr. Le Meneur suggested that a Union Xmas card be printed, the profit made to go to I.S.S. It was decided to have a single card with a decorated edge, the same size as the large dance tickets, with an envelope if possible, & bearing the inscription "with every good wish for Xmas & the New Year."
- 2) Mr. Champion suggested that a sub-committee be set up to make the amendments necessary to keep the constitution up to date, these to be printed & inserted in the existing copies. It was decided that a committee of three be formed, & the following were elected:
Mr. Palmer: proposed Mr. de Vil
Mr. Champion: - Mr. Harrison - Mr. Hogg
Mr. Sever: - Mr. Champion - Mr. Brown
- 3) The President remarked that non-members had been using I.C. Office for other than official business, & that this must stop. Also papers & cards etc were being left about so that the office presented an untidy appearance. The door was to be kept shut, & a "PRIVATE".

notice put on the door.

- 4.) After much thought on the matter, the President had decided that she felt unable to continue in office beyond this term, as she had friends in fine & felt that she would not be able to devote the necessary time to Union Affairs. There was to be an Extraordinary Meeting to discuss this point.

In the absence of any other business, the President declared the meeting closed at 5.30 pm.

Minutes of the Ordinary Meeting of Students'
Council Held in Room 30 on Monday 22nd January 1945
at 5.30 p.m.

The President was in the chair.

The minutes of the last meeting were read + confirmed.

Business Arising.

Mr. Le. Masurier had been unable to proceed with the plan regarding a Union Xmas card because Messrs. Hobbs were unable to provide the necessary materials.

Correspondence.

- ① Mr. Carpenter, A.U. Secretary had written to the Secretary saying that an A.U. Finance Committee was to be elected immediately (Nov. 44.), + that the Budget would be ready by the Spring Term. He also acknowledged the appointment of Mr. Bampton to the A.U. Committee.
- ② Mr. Shaw, the R.A.F. Short base Representative, had written to the Secretary saying that at the General Election held half way through the base Mr. Woolnough had been elected as President of the 1st Squadron club, + S.C. representative Mr. Woolnough

would therefore function as the latter for the remainder of that hour.

The Secretary welcomed Mr. Woodhouse to the meeting on behalf of the Council.

AGENDA.

Athletic Union Budget.

The President had been present at the Finance Committee Report, when the Treasurer Mr. Shackaray had explained the items. There was a balance of \$4264 in hand, and the Treasurer proposed to put \$380 of this sum into 3% War Bonds. The question of profits (or losses) on the A.U. Dinner was raised, & it was suggested that perhaps these were included under "Sundries" which apparently amounted to a considerable sum, £10.

Mr. Harrison remarked that an exceedingly long time had been taken in preparing the Budget, & hoped that the next one would not be delayed. Mr. Sampson said that the A.U. Finance Committee should be able to see to it.

The Budget had been accepted by the A.U. Committee, & Mr. Le Massurier proposed that it be accepted by S.C. This proposal was seconded by Mr. Powell, & was carried unanimously.

A.O.B.

- 1) The President proposed from the chair that Miss Atwood be co-opted onto S.C., + the proposal was seconded by Miss Robison, + carried unanimously. It was to be ratified at the next Union Meeting.
- 2) The date for the next meeting of the Union was fixed as Monday February the 5th.
- 3) Mr. Ury remarked that people had been heard complaining about the 4/6 admission to the "Mitchell" Dance. He pointed out that it has now hoped to make the dance a "super-special" one, and that after all the dances immediately preceding + succeeding it were both free, + provided refreshments. Mr. de Vail + Mr. Ury both elaborated on the fact that only a small group of people, all regular, turned up to clear Refectory before dances, + to re-arrange it afterwards. Mr. Woolnough agreed to try + stimulate offer of help from the Short Game, + the President + Miss. Robison were to do the same at Highfield Hall. The President also suggested that the matter be brought to the notice of members of the Union at the next Union Meeting.
- 4) The President had been informed that many of the women members of the college were dissatisfied with the

manner in which the Guildhall banquet Peter was arrived at. Mr. Dover pointed out that as the present method had been agreed to by the Union, the matter would have to be brought up at the Union Meeting.

- 5.) The Principal had informed the President that he wished the table-thumping prior to urgent announcements in Refectory to cease.

Many members of S.C. could not support his objection, + considered the action traditionally desirable.

- 6.) The Principal also considered that many students showed lack of responsibility in that they did not inform the Registrar of the results obtained in External Examinations.

Mr. Hammon pointed out that this probably meant that the Registrar wanted to know the particular subjects in which students had failed in an exam.

In the absence of any other business, the President declared the meeting closed at 6.0 p.m.

F. Stowell

Minutes of an Ordinary Meeting of Students Council
Held in Room 26 on Monday 5th February at 5:30 p.m.

The President was in the chair.

The minutes of the last meeting were taken as read.

Correspondence.

The Union Stationer Mr. Smith had written to say that he had ordered 2000 sheets of headed Union paper, 2000 plain, + 2000 envelopes. The Senior Treasurer had insisted that these be sold at a 10-15% profit.

The question of paper used for Union Official business was raised at this point, + the President proposed that Mr. Smith be asked to keep a record of all such usage. This was seconded by Mr. de Vail, + carried unanimously.

A. O. B.

- 1) Mr. Woodnough complained that the mugs in the Refectory were to a large extent broken in some degree, + as they were replaceable, something should be done about their replacement.

The President said she would see Mrs. Sanson on this point.

- 2) Mr. Woolhough asked why the delivery of newspapers to the I.C.R. had terminated when the long house went down for the Christmas Vacation.

Mr. Campin explained that the Bookshop had muddled the order, & the President promised to see that it would not happen again.

- 3) Mr. Harrison was able to announce that 350 copies of Second Wessex had arrived from the printers. 200 of these had been ordered by students, but there was the possibility that those who had signed the reservation list might not now be anxious to buy their copy, so that there might be a surplus.

Mr. Campin suggested that in such an event, the caution money of the individuals could be tapped, & the President said she would see the Registrar & the Accountant on this matter.

- 4) Miss Altwood said that the length of the queues in the Refectory was a result of the shortage of staff, & Mrs. Sanson had asked if two people daily could help serve the food. A list was to be put up for volunteers of either sex.

- 5) Mr. Campin brought up the question of the resignation of the President of the Common Room Committee, & pointed out that an election for new president was called for.

In the absence of any other nomination, Miss Harris (the present Secretary of the Banquet Room Committee) proposed by Mr. Campin & seconded by Mr. Scov was declared elected.

This left a vacancy for the Secretaryship, & in the absence of any other nomination, Mr. Burn proposed by Mr. Scov & seconded by Miss Attwood was elected.

Both these elections would need ratification by the Union at the next Union Meeting.

- 6) Mr. Campin remarked that the date of the Union Ball had been provisionally arranged on March 3rd, & this was agreed to.
- 2) Mr. Le Masurier enquired about the Penlight Typewriter which had been sent away for repairs, & Miss Attwood said that it should be ready by now.

In the absence of any other business, the President declared the meeting closed at 5.5.5 pm.

F. Sewell

The President was in the chair.

The minutes of the last meeting were read & confirmed.

Business Arising

a. Miss Atwood had seen Mrs. Sanson who had ordered some new caps & mugs.

b. Mr. Smith regretted that the Union notepaper which had been ordered would be delayed because the dies had again been lost. He would see Mr. R. H. J. Stevens again to see if he knew anything about them.

Correspondence.

① Miss Harrison had written to the Secretary apologising for her unavoidable absence.

② The President had been ^{informed} told by the Principal's Sec. that the ^{Principal} requires a report of student activities. Reports on societies would be needed, & the secretaries of organisations such as A.U. & I.S.S. would be required to prepare reports so that they may go before Council, the reports to be handed in before Friday 23rd February.

③ The Secretary had received a letter from the
Egas Fittes Cultural Association deploring the impunctuality
of the Secretary. The latter bluntly pointed out that
owing to the unexcusable distance between the Private Bar
& the Lounge in "THE COWHERDS", he could accept
no responsibility for the carpet of broken glass on the
floor of S. S. Office. "My clay with long oblivion
" gone dry. But fill me with the old familiar juices,
methinks I might recover by & bye". O.K. LXV.

AGENDA

1. Resignation of Hospitality Committee President

Mr. Ury who had to take Finals in June felt
unable to continue in this capacity & had resigned.
The President proposed a vote of thanks to Mr. Ury
for his hard work on the H.C., & for the great
success with which the Dances had been arranged &
run. A notice was to be posted for nominations
for a new President.

2. Song Book.

Now that Captain Horsfield had left the U.S.S.T.C.
the song "Tom Horsfield's Song" was no longer of value
and had been deleted from the new Song Book.

The estimates from Hobb were

500 copies - \$24 ; 1,000 copies - \$31.

Mr. Score proposed that 1,000 copies be ordered, & this

was seconded by Miss Attwood + carried unanimously.

3. Constitutional Amendments.

Mr. Sampson had put a list of these compiled by the Sub. Committee on the Main Notice Board, so that they could be seen by all members of the Union before the Union Meeting.

4. Programmes Committee.

Mr. Le Masurier enquired about a meeting which had taken place on Friday February 9th. in Room 30 without the sanction or information of the Programmes Committee. The Registrar's Secretary had been asked to reserve Room 26, but this was apparently locked on the evening in question. Mr. Le Masurier asked if anyone present knew anything about the matter. The President replied that she did + that the meeting had been held on her 21st birthday + she promised that she would see the Registrar personally + settle it. Mr. Le Masurier demanded a full statement there + then. At this point Mr. Harris said that he did not see that the discussion would profit by continuation, + proposed that the point be dropped. This was seconded by Miss Attwood, + carried by 6 votes to 3.

A. O. B.

- 1) Mr. Urey wanted to know what conditions were to be fulfilled so that the Registrar would consent to let the I.C.R. be used for a meeting. Mr. de Voil said that in the case of the court argued by Dr. Rubinstein & held in the I.C.R. the Registrar had said that it could be used for semi-official purposes. It was suggested that the Summer House Committee & Students Council should be approached first by a Society wishing to use the I.C.R. The President said she would see the Registrar about the matter.
- 2) Mr. Urey said that it was most necessary that there be some sort of continuity in the membership of the Hospitality Committee from one session to the next, since there was a great deal of procedure with which to become familiar. At present the President for a coming session was elected in the third week of the Summer Term, but if he could be elected in the Spring Term, he could be co-opted onto the Committee then & work jointly with it. This would necessitate amending the Constitution & the Secretary said he would put up a notice about this immediately so that the amendment could be put before the Union at the next meeting.
- 3) Monday February 26th. was fixed as the date for the next Union Meeting.

- 4) Miss Ottwood said that there were now two extra staff in the Refectory, but Mrs. Sanson would like those helpers detailed on the rota to see her on the day appointed so as to ascertain whether or not their help will be required.

In the absence of any other business, the President declared the meeting closed at 9.15 p.m.

Business arising.

g Use of the J.C.R. The Registrar said that no regulations exist regarding this, but the blanket presents difficulties + also the Beadle has to be present to lock up etc after a meeting. The J.C.R. is therefore only used for important meetings.

Correspondence.

There was none.

AGENDA.

17 N.U.S. Congress.

Miss Robinson said that five places had been reserved for U.C.S., but the Union would obviously not be able to finance that number. The President would be going as Education Faculty Committee Delegate, + asked if any member of S.C. would be willing to go. There were no offers.

2. Union Photograph.

Miss Atwood suggested that a Union Photo be taken again this year since so many people would be going down. Mr. Scores suggested that Chandler be asked to take the photograph, & the Secretary promised to go to see them & make enquiries.

A.O.B.

Mr. Umy remarked that it was sometimes inconvenient to find that clocks in different parts of the buildings did not agree one with the other. The President said she would see the Registrar.

In the absence of any other business the President declares the meeting closed at 6:17 p.m.

Felix Seidwell

Minutes of an Ordinary Meeting of Student Council Held
in Room 26 at 5.15 on Monday 30th May 1945.

The President was in the chair.

The minutes of the last meeting were read + confirmed.

Business Arising.

The President had not yet seen the Registrar with regard to the synchronisation of clocks, but would do so.

Correspondence.

Mr. Harrison had sent a written resignation from the office of Editor of ^{second} ~~newspaper~~ to the Secretary at the request of the I.R.B. This resignation was accepted by S.C. Miss Robinson had agreed to function as Editor provided that no issue came out till after Finals. Mr. Harrison said he would like unofficially to carry on with the production of the second issue + this was agreed to. A vote of thanks to Mr. Harrison for his work in connection with the magazine was proposed by Mr. Scorer.

AGENDA.

1/ I.S.S.

The President had been to an I.S.S. dinner in London during the Vac. & contributions from almost all colleges had been inadequate, including U.C.S. Edinburgh had "adopted" Queen's University, & the President asked if it would be a good idea to adopt Brussels University which was in need of books, clothes etc. She hoped to get further information on the position in Brussels from a Belgian Student.

It was generally agreed that the idea was a good one, & should be brought before the Union.

2/ VE Day.

It was decided to have a holiday on the day following VE Day, & to have a Dance on VE Day or VE + 1 when gramophone records would probably be played for dancing. She proposed we to go to I.S.S. A notice was to go up inviting signatures of those willing to take part - a collection in the town on VE Day for Far East P.O.s. 3rd provided that a sufficient number (c. 150) applied.

3/ Union Photograph

Mr. Sinner proposed that no member of Staff be invited to be present at the Union Photograph. This was seconded by the Secretary & carried unanimously.

4/ College Service

The college service was to be on the last Sunday of Jan & the President suggested that a more orderly procession than had been held in recent years would be more proper. The Secretary agreed to this & remarked that the matter should be brought before the Union that they may be fully informed of the procedure beforehand.

A.O.B.

Kenneth H. Francis.

Minutes of an Extraordinary Meeting Held on Monday
29th October at 3.30pm. in Students Council Office.

The President was in the Chair.

The meeting had been called to discuss the whole Foreign Students question.

Mr. Willmer had seen Dr. Lucas who had given the position as follows. Before the war when there had been several Overseas Students at U.C.S., the Rotary Club had sponsored a Cosmopolitan Center for the Overseas Students who were thus enabled to go on conducted tours of the district + so on. During the war there had been no Overseas Students but now that some had arrived the Rotary Club had already set about reforming the Cosmo. Center.

Dr. Lucas felt that before this occurred the Students' Union should form some sort of committee - having members from both the Senior + the Junior Common Room - to attend to the needs + social life of these students, some of whom needed such things as financial help.

The President pointed out that more Overseas Students would be arriving, + should have representation, + that the formation of a committee such as that suggested by Dr. Lucas would necessitate a constitutional amendment, the constitution at present requiring the election of a representative when the number of Overseas Students exceeds 15.

Mr. Thompson proposed that such a committee be formed, & this was seconded by Mr. Francis. After discussion however this was withdrawn. In the discussion, Miss Robinson expressed the view that S.C. should take on the responsibility of enquiring into the complaints if any, & that Hall S.C. committees, & Society committees could do a great deal to increase the social activities.

Finally it was decided that the whole question be discussed with Dr. Lucas on Wednesday 31st October, at 1.15 p.m. & that a representative to S.C. should be elected at the tea on Thursday November 1st.

In the absence of any other business, the President declared the meeting closed at 4.20 p.m.

A list of persons interested in receiving the tickets was to be obtained.

- ③ Miss Blackley wondered whether Union Societies should be given precedence over other socs. w.r.t. times + places of holding meetings. In particular the Union Debating Society wished to hold meetings at times already used by British Dance, but it was pointed out that the latter is also a Union Society. On investigation it seemed that difficulties need not arise.

- ④ Mr. MacFarland enquired why the sudden change in the serving procedure of meals in Refectory had occurred. Replying Mr. Omer informed him that Hall's + Refectory Committee were doing everything poss. to speed up the process.

AGENDA

① Union Blazes etc.

There were in existence two different blazes, a navy blue variety which had been approved by Senate, & the striped variety ordered privately by Students. It was hoped that now that stocks of the navy blue type (obtainable from the College Station) were down to two, Senate would recognise the striped variety, & the Registrar had agreed to see what could be done in this direction.

Scarfs.

Some students had indicated that they would prefer scarfs with lengthwise instead of transverse stripes. Samples were to be obtained for inspection so that a decision might be made.

Ties.

At present there were two types of tie the Balkan Tie + the Union Tie. The Registrar hoped to be able to straighten the matter out. Mr. Douch objected to the type of material constituting the tie which Mr. Orman was wearing.

- ③ Mr. Ome (President H.C.) had seen the Principal about Dances & had submitted a program consisting of one Dance this term, & three in the two following terms together with two dances in lunch. The Principal accepted this program & was pleased to see that the spirit of students had improved. It was hoped that though Dances were to be less frequent, the standard would be higher.
- ④ A meeting of Overseas Students was to be held in the week 19th-24th Nov to elect a Representative to Students' Council.
- ⑤ Miss Robinson regretted that because of increased costs of production, the next issue of Second Dances would cost 2/-. It was hoped that this issue would have a far wider appeal.

Minutes of Ordinary Meeting of Students' Council
held on Monday December 3rd in Room 30 at 4.30 pm

The President was in the chair.

The Minutes of the last meeting were taken as read.

Business Arising -

Mr. D. S. Stevens, Secretary to Students' Council, having managed to obtain 5 keys for S.C. Office they were distributed to the President, Vice President, Secretary of the Union, - Junior Treasurer the remaining one being allocated to Miss Jones' office in the Main Building from which it could be obtained for the use of other members of S.C.

Correspondence.

1. Old Hartleyans -

As neither Mr. S. D. Hills nor Mr. R. Foyle was able to stand as representative of present members of the College at meetings of the Old Hartleyans a letter was received asking that S.C. would investigate the possibility of appointing a representative. Finding which there would be no representative at the next meeting on January 25th. 1946.

Mr. Thompson offered to approach Mr. McCord on the question and the position was left until the next S.C. Meeting to await development.

- ②. The Biology Society gave notice of a meeting to be held on November 29th. with a Miss B. Hall as speaker.

AGENDA.

1. Blazers. and Badges.

The Principal in a reply to the subject of Blazers. has informed S.C. that Senate refuses to recognise the striped Union Blazer it being conventional to have a Navy Blue blazer as the College blazer and any other variety issued as Colours. Blazers. by the various clubs.

The position appeared to be that any person wanting a striped blazer could obtain same by ordering straight through Basticks. so. the old ruling requiring a permit to be presented with the order was to be reintroduced and Madame President informed Students Council that such would be indicated in a letter to Basticks. The subject was deferred until the next Union Meeting to obtain the views of the Union on the question of an alteration in the form of Blazers. Scarves. Ties etc.

The question of metal badges was clarified a little by Mr. R.C.S. Russell who gave the Birmingham Metal Co as the makers of the badges. Mr. Hedley. D. Scores had been asked whether he

could find out if they could be made again now that the metal shortage was not quite so acute.

3/ N.U.S.

Mr. D saw read a letter to S.C. concerning a request from N.U.S. to hold the Annual Congress at Southampton in April 1946. and indicated that he had informed NUS of S.C.'s and the Principals and S.C.'s support and in view of the fact that the Executive Committee of NUS was meeting on Dec. 3rd. a reply was expected shortly.

A.O.B.

1. The President on behalf of SC welcomed Mrs. Halvors. as ~~General~~ Representative of Governor Students.
2. Mr. Francis informed SC that the Society of Old Bartleians were anxious that the practice of sending photographs of College Societies and Students Union should be revived having been stopped since 1939. They wished to know furthermore what photos had been taken and whether same would be forthcoming.
3. Miss Blackley had received a complaint from the President of the Lyttel Chamber Music Club. to the effect that only one person stayed

behind to help clear away the chairs after a meeting. Mr. Trean apologized for not having indicated that this was one of the conditions for receiving one of the complimentary tickets when he posted the notice.

44. Mr. J. McFarland brought the subject of the U.S. films shown before Students Council the main question concerning films issued by Hammond British through the British Council on parts of Ex. Britain. Dr. Lucas was in favour of showing these films to Overseas Students and others interested. The questions of finances then arose it appearing that Dr. Lucas was approaching the Registrar and asking if SC would support him. Mr. Douch was of the opinion that the Senior Treasurer would not be in favour of the scheme as it tended to separate the Overseas Students from the rest. The cost of the films, which cost 10 m is was reported as 6/- each and 3 would be the least number required for a show.

Mr. J. D. Thompson suggested that one 10 mi film be shown along with another more less educational type of film with a charge for admission or even to enquire whether the British Council would provide the films if the cause was stressed. He offered this as a definite proposal which was recorded by

the Secretary Mr. D. S. Stearns and was carried
unanimously. Mr. McFarland promised to go
into the matter further seeing first if Dr. Lucas
had any success before writing.

7. The Chairman reminded members of their
obligation to inform the Secretary of absence from
any meeting and asked for punctuality.

In the absence of ^{any} other business the President
declared the meeting closed at 5.5 p.m.

Mr. Thompson proposed that S.C. Office be left unlocked for the present being seconded by Mr. Russell. The proposal was carried unanimously.

The President promised to forward the suggestion to the Registrar.

The letter provoked much discussion with the general opinion being against the continuation of this agitation although on the right track it being pointed out by Mr. Wilson that the Govt had their plans and they

would stick to them. Madame President proposed that the whole subject be brought up at the next Union Meeting. and so that members of the Union would have time to think over the subject a proposal was put forward by Miss Blackley seconded by Mr Wilkes as an amendment to a proposal by Mrs Douch that the notice be printed up on the notice board as well as being brought before the Union at the next meeting. 4. The matter of the Bannagher Piano was
referred to the next S.C. Meeting waiting judgement
by a representative of Klitz's as to state of piano.

g. Union Ball

The decision adopted at the last S.C. Meeting arose as a result of mismanagement over the money available. The Senior Treasurer suggested that as the finances would not stand a Dinner before the Union Ball representatives of other Universities should be entertained at the Balls of Residence, with the Union Ball conducted as a Ball only.

A proposal was therefore made by Mr. Oman seconded Mr. Donoh. that the proposal made at the last S.C. Meeting re. Union Ball be withdrawn. This was carried.

The fact that the Ball was to be held on a Friday was causing some alarm to post students some of whom would in consequence be unable to attend. It was unfortunate that Senate had fixed the date and as arguments were so far advanced the discussion on the subject was referred to a later date.

Debating Society.

A request from Miss Atwood for a definite ruling re financing of delegates from UCS to debates & social functions at other Universities and colleges was presented to S.C. Mr. Donoh gave the news from the Senior Treasurer that it had been decided that in the case of debates a compromise had been reached whereby financing on the same scale as for AU away fixtures, namely 50% of fare paid up to 10/-

and c. $\frac{2}{3}$ gave for mus. above 10/-

With respect to social functions the Senior Treasurer was of the opinion that the Union could not afford to pay expenses of travelling etc. and Mr. Douch, on being requested by SC who did not agree with this attitude, promised to see the Senior Treasurer again. The subject was referred to the next SC Meeting.

A. O. B.

1. Mr. Wilkes. announced the formation of the Cosmopolitan Club and stated that the first meeting held at the Polygon Hotel had been a success. 2. Mr. Douch read a letter from an ex-Serviceman with respect to the grants to ex-Servicemen from the M. of E and the efforts of NUS to eradicate this fault. Feeling had been expressed that UCS had not been represented at the NUS Council meeting and there were many

as service men in VCS who were finding it difficult
to keep going yet had no contact with NUS to state their case.
Mrs. Thompson drew attention to the Students Loan
Fund and asked whether this could not be used

These had now arrived, & Miss Garnett agreed to sell them.

Diary.

Hobbs estimated that 500 copies similar to the former Union Handbook Diary would cost £23.16.0 or £7.12.9 extra if they were subject to purchase tax. It was agreed that this sum was reasonable in that the diaries could be sold at 1/3 (or 1/6) & show a profit.

Union Photograph.

Since the weather had been so unfavorable on March 7th, the photograph had been postponed to May 6th at 1.15 p.m. The money for photographs was to be collected with the orders.

Correspondence.

- ① Mrs. Samson had written thanking the Union for its gift to her on her departure.

- ② The Society of Old Hottelians was to have a Whitem Week-end Remin for Friday June 7th until Monday 10th. The program was as follows.

Friday 7th. Let-Ischer Social. 7-10:30pm.

Saturday 8th. Dance. 7-12 midnight. Student invited, but no extension of gates.

Sunday 9th. Bricket + Tennis with Students.

Monday 10th. Fishing-Out Social 7-10pm. An entertainment by students was hoped for, + the H.C. would organize it.

- ③ Smiths were able to supply Christmas cards bearing the Union crest outside, + made of gilt-edged card $4\frac{1}{2} \times 3\frac{1}{2}$ " at the rate of \$11 per 1000 (2.56¢ each). It was decided that since there would be an increased no. of students here next session, 1500 cards should be ordered, + Mr. Dean was authorized to go ahead with his business.

AGENDA.

- ① N.U.S. Congress.

Messrs. Hemmigha, Vard + Harvey + Misses Bird, Guppy + Nathan had attended. Mr. Hemmigha gave short report of the Congress, + was to give a ~~fuller~~ more complete one at the next Union Meeting. Mr. Orman thanked him for his efficiently compiled report.

It was possible that a printed report on the Congress would appear.

② "blarion"

The Principal had told the Editor of "blarion" that he did not object to its publication, & told him to get in touch with the appropriate authority, Student's Council. He had however only approached one member who had considered the production of a private publication commendable. Mr. Shore had then gone ahead to evolve a pamphlet bearing the college crest prominently displayed in two positions on the front page. He was only just prevented from sending copies to other colleges as a college newspaper of U.C.S.

Now - notice had appeared announcing the appearance of a second issue of the publication. It was unanimously agreed that it could only appear as a private publication, & the Secretary was to write to Mr. Shore pointing out that he was not entitled to use the college crest. He had already been told about this verbally.

Miss Blackley pointed out that Hobbs should not let odd people use the Union's Block in such a manner. The Union crest should only be used with the permission of the Editor of the college Magazine, or the Union Secretary. Smith & Law should also be informed of this.

Miss Robinson reminded that the re-establishment of ~~second~~ "Wessex News" was under consideration. Since the "blarion" publication appeared to be going ahead independently & sub-committee of second Wessex News be established to deal with Wessex News. The matter was to be brought up

at the next Union Meeting.

Mr. Oman thought that Mr. Wilson would agree to control the publication of Despatches, & proposed him for the post. This proposal was seconded by Mr. Thompson, & carried unanimously.

Miss Jones wanted to know what drastic action could be taken against Mr. Shore if he were to use the college boat on the second issue of blair, & it was decided that he could be expelled from the Union, & that selling of the issue could be suppressed. He was also to be warned about sending the copy abroad as a college or Union publication.

A.O.B.

- ① Mr. Perry Jones was coming to U.C.S. on May 27th, & the S.C.H. President wished him to be allowed to speak to a meeting of the Union on Youth in Russia. Mrs. Halvors proposed that he do so, & Miss Blackley seconded this. The motion was carried by 14 votes to 1.

- ② The Principal would retire at the end of the session, & he should receive a present from the Union. The President was in favor of the holding of a collection, but Mr. Dash thought that if a grant from the Union Fund could be made to Mrs. Larson, such a present for the Principal should be paid for from the Union chest. It was decided to bring the matter up at the next Union Meeting.

- ③ The Union Station, Mr. Thompson reported that the stock of Union Station was as follows
- | | |
|---------------------|------------------|
| 2,000 sheets | plain note paper |
| 2,100 headed sheets | do. |
| + 2,100 envelopes. | |

They were to be sold at the usual price thereby showing a meagre profit. Christie proclaiming days for selling was to be posted.

If any more paper were to disappear this term, S.C. was to take decisive action. Mr. Omer pointed out that a key was not needed to open the station cupboard.

- ④ Elections:- The President & Secretary of H.C. should have been elected at the end of September, & it was imperative that the elections be held as soon as possible. The Returning Officer was to arrange this. Other elections to be held were for Senior Treasurer, Union Secretary, Students' Council, & All Officials.

- ⑤ The next Union Meeting was to be on Thursday May 19th.

- ⑥ The President agreed to ascertain whether the door from the T.I.C. into the verandah could be opened in hot weather, & whether new coffee spoons could be procured for use in the Refectory.

- ⑦ Mr. Thompson pointed out that if there were 500 students here next session, the Long Physics Lecture Theatre would not contain them for a Union Meeting. No decision w.r.t. an alternative meeting place was made.

⑧ Mr. Owen was glad to say that the Union Ball had paid its way.

In the absence of any other business, the President declared the meeting closed at 5:50 p.m.

15th May.

Minutes of the Ordinary Meeting of Students Council Held in Room 26 on Monday 13th May at 4.0 p.m.

The President was in the chair.

A résumé of the minutes of the last meeting was read.

Business arising-

- ① Mr. Wilson had agreed to function as Editor of *Wessex News*.
- ② Mrs. Omer had been re-elected President of H.C. The election of Secretary of H.C. was to be held on Tuesday 14th.
- ③ The Asst. Registrar was investigating the opening of the S.I. Ck. Doors into the balcony. It was also hoped that seats would be provided outside.

Correspondence.

- ① Miss Henderson was considering the opening of the library for purposes of study only from 5 to 7 p.m. from Mondays to Fridays inclusive. It was considered that this arrangement would be convenient for some students in Digs or at home who found it difficult to study. A list was to be posted asking those who would make use of such an arrangement to sign.

- ② The Southampton American Consulate had offered to obtain films from the U.S. Information Service to be shown to students provided that a 16mm projector & a qualified operator were available. Everyone was in favor of procuring the films, & Mr. McFarland hoped to be able to acquire the U.S. projector for use in the large Physics Lecture Theatre. The 30th May was chosen as a suitable date.
- ③ The Lamentation Service was to be held at St Mary's Church, South Stocham on June 2nd.
- ④ The Secretary of the Biological Society had written requesting that the society be recognized as a Union Society. The activities of the society had greatly increased, & 10 meetings were planned for next Session. Mr. Thompson proposed that the Biological Soc. become a Union Society, & this was seconded by Mr. Owen & carried unanimously.

A.O.B.

- ① Miss Blackley remarked that the Society ^{Library} was in the main library and to be removed, & a place would have to be found for them. It was hoped that a room in West Building could be put aside for this purpose.
- ② Mr. Thompson ^{consider} proposed that the Notice Boards in the West Building be moved into the J.C.R. & made permanent fixtures there. This was seconded by Mr.

Herrington & carried by votes to 32 (Sabotage).

- ④ Old Hatlaya, weekend. Mrs Glass was glad to say that a special food allocation would be available for Victory Weekend. The question of a bar was raised, & Mr. Thompson asked Mr Owen to write to the O.H. Secretary again on the matter as he thought one was required. Mr Owen was arranging the entertainment by students.
- ⑤ The Union Photos would cost 5/- + 3/6, the money to be collected on ordering.

In the absence of any other business, the President declared the meeting closed at 4.40 p.m.

Jacqueline A. A. Howard.

Minutes of the Ordinary Meeting of Students' Council Held on
Monday May 27th at 4.30 p.m. in S.C. Office.

The President was in the chair.

The minutes of the last meeting were taken as read.

Business arising.

It had been decided that no Notice Board were to be fixed in the T.S.C.H. but that the existing A.U. Board in the Main Building might be used for Union purposes, the Board outside Mr Parker's Office in the West Building being used for A.U. notices. Mr. Thompson remarked that he considered the decision unsatisfactory since any notice board fixed in the T.S.C.H. would be permanent, & would not be removed after a while to leave unsightly marks on the walls.

Correspondence.

Mr. Thompson has received anti-S.S. magazine called "Humanities" from Manchester. It was to be put on the notice board.

A.C.B.

① Mrs. Halmos, the Overseas Students' Representative wishes to make known Mr. Rija's feelings with regard to

incident which occurred at the Bonnyfitt Hall Dance.

It appears that the President-Elect, Mr. Dean, was seen
fit to scare Miss Joy + Mr. Riza in the latter's room
+ to deliver ultimatums in the form of typed notes thrust
beneath the door. Mr. Riza wishes it to be known, that
if the incident had been intended as a joke, then he did
not appreciate it. Further he considers the notes to have
been not in the best of taste.

At this point Mr. Dean remarked that he has
apologized both to Miss Joy + Mr. Riza, & has attempted
to reason with the latter, & explain his actions. Mr. Riza
however has stubbornly refused to consider the incident to have
been a joke, & prefers to imagine that he was being
victimized by an organized body which spent its time spying on
him. Mr. Dean pointed out that if Mr. Riza considers
bystand conventions to have been violated, then surely he had
violated English convention by reporting the matter to both
the Warden of Bonnyfitt Hall + to the Principal. Mr.
Dean was going to see the Principal too.

The President considered it most regrettable that
on an occasion when he was acting as Host to members
of other Halls than Bonnyfitt. Mr. Dean should choose to
carry out such actions as he had done, & further that
they should have been directed against Overseas Students whose
feelings + Codes of Honor might differ considerably from the
English.

There followed some brisk discussion including
consideration of the apparent segregation of the Overseas
Students at college. This did not seem to occur to any

appreciable extent in the Halls of Residence.

The President pointed out that Overseas Students now receive a letter on arrival at U.C.S. giving them helpful information + advising them to contact the Union Secretary.

② The Principal wishes his attitude to Hags to be explained. Before the war, Hags had been held annually, + had become progressively more out-of-hand, considerable damage being effected by the participants. He therefore did not want to see the Annual Hag re-established, but had no objection to a student celebration on a suitable anniversary occasion. The term Hag would therefore not be applied to the proceedings of Saturday 8th June, but they would be termed Victory Day celebrations.

In the absence of any other business, the President declared the meeting closed at 5.20 p.m.

Jaqueline B. Atwood
16.6.46.

Minutes of an Extraordinary Meeting of Students Council Held in
S. S. Office on Monday June 23rd at 4.0 p.m.

The President was in the chair.

The meeting had been called to discuss the letter of resignation received from the President-Elect, Mr. Dean.

It appeared that at his interview with the Principal, Mr. Dean had been advised to resign from the position of President-Elect. In the interest of the Union, the Council decided to act on this advice.

* Mr. Le Massier felt that simply because Mr. Dean had behaved irresponsibly on one occasion, there was no justification for his resigning since were we not all somewhat irresponsible at times? He proposed that the resignation be rejected, & this was seconded by Mr. Russell, who considers the letter to be merely a means of asking for a vote of confidence in the President-Elect by the Council.

In the somewhat brisk discussion which followed Mr. Thompson thought that the resignation should be accepted. It would be in the interest of the Union if Mr. Dean were not President next session especially with regard to his representing it outside College & at social functions. In the Presidential Election, there had been 69 abstentions, constituting an unusually high percentage.

There was a phone call apologizing for her absence from

the meeting. Miss Blackley remarked that she felt that Mr. Deane's dignity had suffered severely from the incident at the Bonanight Dance, & that she would vote in favour of the resignation being accepted. The President however after some discussion refuses to take this vote into consideration.

Discussion mainly centres on the reason for Mr. Deane's submission of a letter of resignation. Was it because he felt that he was, after all, mountable to repeat the Union being prone to acts of irresponsibility, or was it merely that he wished to get a vote of confidence from S.C.

The President remarked that next session, a large number of ex-servicemen will be returning to U.C.S. as a person of excellent conduct would be needed to satisfactorily fill the post of Union President.

When it appeared that further discussion would prove fruitless the original motion (*) that the resignation be rejected was put to the vote & defeated by 6 votes to 4 with 1 abstention.

The Students' Council had therefore accepted the resignation of the President-Elect. & the matter would be on the agenda at the next Union Meeting (Friday five p.m.).

Miss Robinson asked that the result of the voting be displayed on the Notice Board, & it was agreed that this should be done.

In the absence of any other business, the President declared the meeting closed.

Jacqueline A. Atkinson.

11.6.46.

Minutes of an Ordinary Meeting of Students' Council Held
on Tuesday 11th June in S. C. Office at 4.30 p.m.

The President was in the chair.

The minutes of the last meeting were taken as read, & there was no business arising therefrom.

Correspondence.

- ① Apologies had been received from Miss Golliger & Messrs Thompson, Russell & Sallmanier for absence from the meeting because of pressure of work. It was proposed from the chair that they be informed that all members have work to do.

- ② The Principal had nominated the accountant, Mr. Sanger for the Union Senior Treasurer for session 1946-7. Mr. Oama proposed that this nomination be accepted, & this was seconded by the Secretary & carried without opposition but with 1 abstention.

A.O.B.

- ① The Old Hartleians wished a person going down at the end of the session to be a representative on their Executive Committee, but there appeared to be no one living in Southampton in this position.

- ② About \$18 had been collected for a present for the retiring Principal, or his son, possibly together with a small subsidy from the Union fund, was to buy a present to be given to the Principal at the Going Down Dance on the 28th. It appeared that some engraved silverware might be most suitable, & Miss Barker would perhaps approach Mrs. Vickers on the matter.

- ③ Miss Robinson asked about the American Tables which were to have been shown to the Union on May 30th. It had been necessary however to give 14 days notice of requiring films from the American booklet through the London Imperial Institute, & it seemed that the only remaining suitable date this session would be Tuesday June 27th at 5 p.m.

- ④ Mr. Dean enquired about the Union Handbook Day, & the Editor reminded that both he & the Secretary would be here during the greater part of the vacation, & would handle the production then. The Editor proposed that 250 copies be ordered in the first batch, & this was seconded by Miss Ganette. Carried unanimously.

- ⑤ Enquiries were to be made regarding the placing of a clock in the J.S.C.R.

- ⑥ Mrs. Glen had complained again about bad behaviour at the Bar at Dances. Mr. Dean was to make arrangements regarding this, & if they proved ineffective, he would form a bar committee to keep the Bar orderly.

- ① Miss Lynett proposed that in future the Union Secretary be required to provide a list of students about to go down for the Hilley. This was seconded by Mr. Francis & carried unanimously.
- ② Miss Robison proposed that the new magazine for Manchester called 'Humanities' be purchased for 1s.6d. (4/-) for use in the J.T.C.R. This was seconded by Miss Blackley & carried unanimously.
- ③ The Birmingham Guild of Undergraduates, had recently opened a Guild Club, a notice to make it known that any students visiting the Bham district were free to go there.
- ④ Mr. Douch felt that it would be better if in future there were no Overseas Rep. on S.C. since this, tended to create a rift between Overseas students & others. Much discussion followed, & one of the main difficulties in the matter appeared to be that an Overseas Rep. had already been elected for next Session.
- Mr. Douch proposed that there be no Overseas Representatives as such & this was seconded by Mr. Mr. Farley & carried by 8 votes to 2 with 2 abstentions. Since this would constitute a constitutional amendment, it would have to proceed through the normal channels.
- ⑤ The President remarked that confidential business carried on at meetings of S.C. was leaking into the Union. Only business included in the Minutes was non-confidential.

- (12) The joint meeting of Student's Councils for Session 1945-'6 + '6-'7 was to be held on Monday June 26th at 4 p.m. - Room 26 if possible.

In the absence of any other business, the President declared the meeting closed at 5.45 p.m.

Sessions 1945-6 & 1946-7 Held on Monday June 24th
1946 in Room 25 at 4.30 p.m.

The President was in the chair.

A resumé of the minutes of the last meeting was given, & they were confirmed.

1/ Business Arising

① Presentation to the Retiring Principal

£20. had been collected for the silver salver for the Principal, & a handbag & a bouquet were to be presented to Mrs. Dickens.

② American Film Show

Three films had been procured & were to be shown on Thursday 27th in the Large Physics Lecture Theatre at 5 p.m..

③ A clock for the Joint Junior Common Room was to be obtained as soon as possible.

2/ Correspondence

With regard to the enquiries made about the issuing of 5 week return tickets for use by students at the Easter Vacation, the Southern Railway had

indicated that before any such scheme could be investigated, a list of all persons needing such tickets would be required giving particulars of home station, etc. etc.

It was considered that this procedure seems somewhat superfluous, & enquiries were to be pursued.

There was a balance of £368.11.0 in the Bank, + £600 in Defence Bonds. The rough provisional budget for 1946-7, based on a Union of 475 students indicated an estimated balance of £127.

There was to be a meeting on Thursday at 4.30 to settle details.

The President, Miss Atwood expressed her thanks to the retiring Council for its cooperation, & expressed her best wishes to the Council for session 1946-7.

minutes of an ordinary Meeting of Students' Council held in Room 25 on Monday Oct. 14th 1946 at 4:30 p.m.

The President was in the Chair, and the minutes of the joint meeting were read & confirmed.

Business Arising: The President had received a letter from the United States Information Service stating that ~~there~~ more of their films were available if wanted. The President was asked to keep in contact with this organization.

Correspondence: 1. Mr. K. H. Bickers had written to express his gratitude to the student body for the salver presented to him upon his retirement as Principal. The letter was to be displayed on the notice-board.

GIFT TO
RETIRING
PRINCIPAL

"N.U.W.T."

2. A letter had been received from the "National Union of Women Teachers", who wished to send a representative to address the College would-be teachers. The President had ascertained that no Education Society was in existence, and would therefore himself arrange for the visit of the representative to take place on October 29th.

STUDENTS FOR
FEDERAL WORLD
GOVERNMENT

3. A letter from "Students for Federal World Government" was to be displayed on the notice-board.

4. The General Secretary of "I.S.S." wished to visit the College at the earliest opportunity. Mrs. East proposed and Mr. A. J. Holland seconded that the Union sponsor a meeting on October 28th, the ~~motion~~ being carried unanimously.

"I.S.S."

5. The Mayress of Southampton had written to the Registrar appealing for funds for the British Empire Cancer Campaign, and the Registrar had sent the letter to the President. A lengthy discussion took place, since it was felt to be a question of major policy whether the Union should support any and every appeal. Mr. A. J. Holland proposed that a notice asking for personal contributions should be put up, and this was seconded by Mr. Handlip, but when it was suggested that results thus obtained would almost certainly be negligible, Messrs. Holland & Handlip asked that their proposal be withdrawn.

"BRITISH
EMPIRE
CANCER
CAMPAIGN."

Mr. Doman stated that the next dance could be turned over to charity. Miss Roper therefore proposed that a dance be arranged in aid of the B.E.C.C., and that the Mayress and other prominent people be asked to attend. This was seconded by Mr. Willmer, and the motion, on being put to the vote, was essentially passed, after the President had given a casting vote in its favour, 5 having voted for the motion and 5 against, with 1 abstention.

CAN

"NEW SCHOOLMASTER" 6. "New Schoolmaster" literature was to be distributed.

7. In a letter to S.C. from Miss Colborne, Secretary of the T.C.R. Committee, it was stated that at a general meeting of that committee it had been proposed that the Registrar be approached with a view to granting a second room as a supplementary T.C.R. in view of present congestion. The "Navigation Room" or the room used by the S.T.C. were mentioned as possibilities.

COMMON ROOMS

Mr. A.J. Holland said that the first need was for a Russell-Monte room, since their room in the W. Building had been taken from them, and that they were now to be housed in a hut "away from the centre of gravity of the College". A discussion followed, and Mr. East suggested that Monte Russell should be given the room downstairs in the W. Building, and that a hut for table-tennis, etc. might be handed over to the Union. Mr. Orman eventually proposed that the President see the Registrar with a view to obtaining another room for the use of Monte Russell, ^{perhaps benefiting the T.C.R.} failing this, that a room for the Students' Union be pressed for. This was seconded by Mr. A.J. Holland, and passed near. Con., there being 1 abstention.

CAMERA CLUB

8. Mr. W. England, of Russell Hall, proposed the formation of a Camera Club. Mr. England was to be asked to consult the ^{responsible Secretary and the} Assistant Registrar.

and then to display a notice calling a meeting, the result of which should be reported to S.C.

DINNER TO
NEW PRINCIPAL

9. The President had ~~not~~ received a letter from the new Principal ^{in appreciation of S.C.} for the recent ~~evening~~ spent with S.C.

Appointment of Returning Officer:

Mr. Herrington having not returned to College, the ^{position} ~~office~~ of Returning Officer was vacant. Mr. Barb proposed and Mr. Orman seconded that Mr. HANSLIP be appointed R.O. In the absence of any other nomination Mr. Hanslip was appointed and instructed to arrange for the election of a junior member and one member of S.C., to replace Messrs. Harvey & Herrington respectively.

Appointment of Editor, "Wessex News":

The President read a letter from Mr. A. J. Holland, in which Mr. Holland had stated that for private reasons he regretted that he must resign from the position of Editor of "Wessex News". He would however proceed with preparations for the first number. Mr. Holland reported that since writing this letter, he had learnt from Mr. Wilson, who had been acting as Editor during the Summer, that he (Mr. Wilson) was willing to carry on. Mr. Orman therefore proposed, and Mr. Evans seconded, that MR F. WILSON be appointed Editor of "Wessex News". Mr. Wilson was appointed there being no other nominations. The appointment of a sub-editor of "Second Wessex" to replace Mr. Ball was left over until the next meeting.

Union Meeting: Since the number now constituting a quorum could not be housed in the Physics Lecture Theatre, an alternative place had to be found for Union meetings. It was a choice between the Assembly Hall and the Refectory, and since no "jumping about" could be permitted in the A.H., and in view of further difficulties of seating, the Refectory was to be suggested to the Registrar as a suitable place for Union meetings. The next meeting was to be held on Monday, Oct. 21st at 5.15 p.m., the S.C.M. to be approached by the Programmes Secretary with a view to the time of their meeting being modified.

FRESHERS'
SOCIAL.

Mr. Gorman informed the meeting that the Freshers' Social showed a loss of £29, as compared with £16 in 1945 and £25 in 1944. This should be considered as satisfactory in view of the large increase in numbers this year.

ELECTIONS,
P.R.

It was agreed that the system of Proportional Representation should be used in the election not only of the Junior Treasurer but also in that of the one S.C. member.

I.S.S.
DAY.

Mr. Copp, Asst. N.U.S. Sec., gave notice of the International Students Day. November 17th. N.U.S. had suggested that Unions hold meetings at which information on the International Union of Students might be given. It was proposed from the chair that Mr. Copp try to obtain a speaker for a day during the week in which the I.S. Day occurs. This was passed without opposition, but with 3 abstentions.

BLAZERS.

A notice was to be posted given information on how to obtain Union blazers, written authority by the President being necessary before a purchase could be made.

PARTITION

The President was to see the Registrar on the subject of the partition in S.C. office.

REFECTORY.

The President had seen Mrs. Glass on the subject of queries for Refectory lunches. Mrs. G. had asked that dirty dishes be returned promptly. The President had suggested to her that (a) extra storage accommodation should be obtained if possible, and (b) that students might help serve. With regard to (a), this was on order, but there would be a delay of several months.

Mr. Orman proposed that students should help with the serving during ^{the} rush-hour (for which they would obtain a free meal). This was seconded by

Mr. Willner and passed res. con., with 1 abstention.
Miss Bryce, working with a delegate, offered to prepare
a list of students.

S.C.
OFFICE.

The use of S.C. office by unauthorized people and
for other than business purposes was discussed.
The Secretary was to post a notice to the effect
that the typewriter might be used by officials
of the various clubs & societies, but that the
office was not for use as an extra Common Room.

"STUDENT
NEWS".

Mr. Goff reported that it was necessary to send in
in advance orders for "Student News". He himself
proposed that 250 copies be ordered, and Miss
Bryce seconded this. This was carried without
opposition, there being 1 abstention.

FACULTY
DANCES.

Mr. H. Holland reported that at a large meeting
of the A.S. Soc., a motion had been passed
favoring the revival of Faculty Dances. As
Mr. Roman was seeing the Principal on the
following day, he asked that the subject of
dances be left over until the next S.C. meeting.
A discussion on dances nevertheless developed,
the general feeling being that the "Faculty
spirit" was a "good thing", and also that the
number of dances need not be limited. Eventually
Mr. H. Holland proposed that the Principal be
informed that S.C. ^{being desirous of the revival of the faculty spirit} ~~the question of the revival of the faculty spirit~~ ^{offered} that note

dances should be allowed, to enable faculties to
organize dances. Mr. Willner seconded this, and
the motion was carried near. conv. with 2 abstentions.

There being no further business, the meeting closed at
6.10 p.m.

The President was in the Chair. The minutes of the last meeting were taken as read.

Business Being: A dance in aid of the Cancer Campaign had been arranged for Sat. Nov. 2.

Correspondence: 1. Mrs. Kirkbride had asked for students to help in arranging the Rehearsal before and after the Lyttel Chamber Music Club Concerts. It was decided to make the Complimentary season tickets available to any such volunteers.

LYTTEL
CHAMBER-MUSIC
CLUB.

SAVINGS
GROUP.

2. A letter from the Assistant Commissioner, National Savings Committee (Society) to the Principal had been given to Miss Bryce. The Committee had pointed out that they had received no Return from the U.C.S. ^{Savings} Group since 1944, and Miss Bryce asked that the Council decide whether the group should continue or cease to function. Mr. Brown proposed and Mr. Bowyer seconded that the Group should be dropped, and this was carried unanimously.

Mass Radiography: This would take place probably on November 28th, details being arranged by higher College authorities. Buses to convey students to Shirley.

A.O.B.

Miss Bryce reported that she had received complaints from ex-service students on the matter of delay in receiving grants. Following a discussion, Mr. Gpp proposed that a meeting of all ex-service students be called to find out the exact nature of the grievances - seconded by Mr. Hanship. Mr. Orman proposed as an amendment that this meeting be called by the Asst. N.O.S. Secretary (Mr. Gpp). This was seconded by Mr. Downes, and the amendment was carried, 10 for, 3 abstentions. The motion in the amended form was lost, however, by 4 votes to 6.

EX-SERVICE
STUDENTS.

Mr. A.J. Holland then proposed that at the second instalment of the current Union meeting (to follow at 5.15 p.m.), the President should announce that any ex-service men wishing to do so should give details of his difficulties to him (the President) - in an envelope marked "Confidential" and they would be presented to the Principal, who, being ex-himself, might be able to help. This was seconded by Mr. A.J. Holland, and carried unanimously.

DANCES.

Mr. Hanship wished to know whether there were to be any Rag and/or Janey Dress Dances. Mr. Orman would consider the suggestion, and it was agreed that a Janey Dress Ball at Christmas would not be out of keeping with the Christmas spirit.

2ND WESSEX:
PAYMENT FOR
CONTRIBUTIONS.

Mrs. Post suggested that a scale of payments in return for contributions to "Second Wessex" might possibly induce people to contribute. After a discussion during which Miss Bryce & Mr. Orman thought ^{that} an idea should be opposed on principle, the President asked that in view of the limited time available that afternoon & the importance of the suggestion, ~~that~~ it be put on the Agenda for the next S.C. meeting.

LT. & DRAM.

SOC(S)

Miss Bryce announced that the Literary & Dramatic Society wished to become the Literary & Dramatic Society's. She proposed that Council approve of this move, and this was seconded by Mr. Evans, and carried unanimously.

S.C.
REPRESENTATIVE
& POSSESSING
CONFIDENCE
OF UNION(S).

Mr. Cuff favoured a discussion of Mr. England's proposal put before the Union that S.C. was unrepresentative & had not the confidence of the Union. It was felt that ^{a discussion} ~~this~~ was unnecessary.

REFECTORY:
LATE MEALS.

Miss Bryce had received complaints that it was impossible to obtain a Refectory lunch after 12.20 p.m. on a Saturday, or a tea after 5 p.m. during the week. The President was to see Mrs. Glass.

There being no O.B., the meeting closed at 5.30 p.m.

Albert Dean

11/1/46

minutes of an Ordinary Meeting of Students' Council held in Room 25 on Mon. Nov. 11th at 4.30 p.m., the President in the Chair.

The minutes of the last meeting were summarised.

Business Arising: The ex-service men had on their own initiative formed an association, mainly to deal with matters arising from F.E.T. grants.

Correspondence: There was none, except in connection with items listed separately on the agenda.

Payment of Contribution to "2nd Wessex": The Editor, Mrs. East, had now learnt that her proposed scheme was financially impracticable, and withdrawn the suggestion.

Resignation of Editor of "Wessex News": Mr. Wilson having recently resigned from this position, Miss Dunlop had been holding the fort. Miss Dunlop informed the meeting that new printers were being engaged, and that after initial difficulties had been surmounted, it was hoped to produce numbers more quickly than in the past. After a quibble as to whether it was constitutional to elect a fully-fledged "Editor", when there was already an Editor of "2nd Wessex", it was decided that this could be done pending a constitutional amendment to admit two magazines, and Miss

Dungate was proposed by Mr. Orman and seconded by Mr. Downes, and elected against 1 abstention. Miss Dungate then offered the names of her staff for ratification by the meeting. These were: Assistant Editor: Mr. Spencer; Sub. Editor: Miss Goodricke & Mr. E. M. Jones; Sports Editor: Mr. Willner & Mr. Blair; Sales Manager: Mr. Griffin; Business Manager: Miss J. Richards; Asst. Business Manager: Miss McKie. Miss Bryce proposed their ratification, Mr. Hanslip seconded, and this was carried unanimously.

Rationalist Society: A letter was read from Mr. Hanslip, who had formed a "Rationalist Society", and applying for its recognition as a Union Society. It was pointed out that S.C.M., C.U., Soc. Sec., Conservative Club, etc., etc., were ineligible to receive grants from the Union, and that it would therefore be illogical if Mr. Hanslip's Society were allowed this privilege. Further, one did not take ^{degrees in} Rationalism. There was some feeling that Mr. Hanslip's Society be put "on the table", and that the Union make the decision, but it was decided that it should be put to the vote. The motion was lost, 2-9, with 2 abstentions.

Resignation of Chairman of Hospitality Committee: A letter was read from Mr. Orman, tendering his resignation from this post, since it was taking too much of

his time. Mr. Copp proposed and Mr. Hanslip seconded that Mr. Bowman's resignation be accepted. This was carried by 8 votes to 2. Mr. A. J. Holland said that Mr. Bowman deserved a vote of thanks for all his work, and mentioned the Old Hottelians in particular, who were grateful for what Mr. Bowman had done in the past. An election for a new President of the H.C. was to be arranged immediately.

Resignation of N.U.S. Secretary: The Secretary read a letter from Mrs. Copp, who said that since Mr. Orchard, who was N.U.S. Sec. at the College in 1938-9, had now returned, and was willing to act again in that capacity, she wished to resign in his favour. The Chairman commented that Mrs. Copp had merited a vote of thanks for her work, and also applauded her glowing in resigning in such circumstances. Miss Roper proposed and Mr. Hanslip seconded that Mrs. Copp's resignation be accepted. This was carried unanimously.

Mr. Copp then pointed out that there was something on the back of Mrs. Copp's letter. There was - a letter from Mr. Copp, tendering his resignation from the post of Assistant N.U.S. Sec., in view of the resignation of his wife from the Secretaryship. A vote of thanks for his work was accorded to Mr. Copp, but there seemed to have been a misunderstanding as to whether there was in fact

anyone willing to succeed him. His resignation was therefore rejected, 2 voting for its acceptance, 5 against, & 4 abstaining. Mr. Copp agreed to carry on until the next S.C. meeting, by which time it was hoped that a potential successor would have been found.

The Chairman formally proposed that Mr. Orchard be appointed N.U.S. Secretary. Mr. Orchard was elected, in the absence of any other nominations.

A.O.B.

N.U.S. (A) REPORT
ON COUNCIL MEETING

Mr. Orchard gave a full report on the recent N.U.S. Council meeting, to be reported at the Union meeting on the following day. The report was applauded.

(B) "STUDENT NEWS"
- COLLEGE
MAGAZINE STAFFS

At the instigation of Mr. Orchard, Mr. A.J. Holland proposed and Mr. Orman seconded that "2nd Year" and "Wessex News" staffs be correspondents to, and assist the N.U.S. Secretary in connection with, "Student News". This was carried unanimously.

(C) LOAN FUND

Mr. Orchard also mentioned the N.U.S. "Loan Fund". N.U.S. were setting aside £1,000 for the "Travel Department". This question - U.C.S. & the "Loan Fund" - was deferred until the discussion on the Budget, which was to follow.

(D) JULY '47
COUNCIL MEETING

It was proposed from the Chair that "this Council agrees to the holding of < N.U.S. > Council at So' ton in July, 1947, and recommends that enquiries be made re accommodation". Carried unanimously.

EX-SERVICE
MEN'S ASSOC.

A letter was now produced from the Secretary of the newly-formed Ex-Service Men's Association of the College. It was stated in the letter that this Assocⁿ. had been formed in accordance with N.U.S. policy; a list of elected officials was given; and an application for the Assocⁿ. to be recognized as a Union Society was made. It was made clear that the object of the Assocⁿ. was merely to deal with the specific problems facing Ex-Service Students, who did NOT, however, wish to be regarded as a peculiar "clique". Mr. Copp proposed and Mr. Brown seconded that the Assocⁿ. be recognized as a Union Society, this being carried against two abstentions.

BUDGET.

Mr. Shackelford, Jun. Treas., then presented his Budget. Estimated expenditure was £1,568; fees should bring in £1,480, which together with the balance in hand at the beginning of the session of £328, would leave a balance at the end of the session of £240. Mr. Shackelford pointed out that in addition to the normal allocation to A.U. ^{extra} of £200 was being made this year, largely to enable A.U. Clubs to spend money on equipment which had for several years been unobtainable. It was proposed from the Chair that the Budget be ratified, but that at the same time it be recommended that (as the status of the Physics Society be enquired into,

(b) that the Finance Committee consider the claim of the Engineering Soc. Soc., and (c) that Society expenditure generally be investigated. Carried against 1 abstention.

It was stated that the N. U. S. Committee's estimated expenditure did, in fact, include the usual contribution to the Loans Fund.

Mr. Orman was asked for an explanation of why the Cancer Campaign Dance had been allowed to run at a loss. Mr. Orman stated that the net loss was £2.2.4, profits from sale of tickets, etc. being (about) £2, whereas the Bar lost £4. This he accounted for merely owing to the fact that, though ~~there~~ an attendance of 400 had been catered for, only 287 people were, in fact, present. Large quantities of beer were consequently wasted. This was the first dance on which he had ever made a loss, and, though hesitating to saddle the new President of the Hospitality Committee with the task of working off a debt, he suggested that £10 be sent to the Cancer Campaign fund, & that this sum be discredited to the Hospitality Committee books. Whilst the meeting felt, ^{however,} that there was no alternative than to send £10 to the Cancer Campaign fund, it was felt that the money should come from the Union, and not from the H. C. This was proposed from the chair, & carried unanimously.

'CANCER
CAMPAIGN'
DANCE.

Some members of S.C. were ^{still} not satisfied that the Bar was managed so it ought to have been and a discussion on Bars, free drinks, ^{etc.} ~~and~~ ^{etc.} ~~personalities~~ ensued. Mr. Orchard eventually asked if he might point out that, in his opinion, the meeting should decide (a) whether it wanted an investigation into the management of the Bar, and (b) what was to be done in the future about Bars. On the question of an investigation, Mr. Orman stated that the figures with regard to the Bar on this occasion were in his possession at Hall, and he would be glad to produce them. It was felt that the matter should not be left until the next meeting, and ^{that} a sub-committee consisting of the President & P. of the Union & ^{who were subsequently elected} Mr. Hollans, Evans, Copp, Willner, Stinson & Orman, should enquire into the matter immediately. Proposed by Mr. Willner and seconded by Mr. East and carried unanimously. The subject of the bar should be put on the agenda of the next S.C. meeting.

The meeting closed at 6.37 p.m.

minutes of an Ordinary Meeting of Students' Council held in Room 25 on Mon. Nov. 25th at 4.30 p.m.

The President was in the Chair. The minutes of the last meeting were taken as read.

Business Arising: Nil.

Correspondence: 1. A letter was read from Mr. England deploring the inconvenience and wastefulness of the present system of hiring an amplifier from Mr. Hamilton, and suggesting that the Union bought one or had the present Union amplifier overhauled and modified. This matter was immediately closed on Mr. Holland's explaining that the College Radio Society were dealing with it.

AMPLIFIERS.

2. Mr. Orchard, N.U.S. Secretary, read a letter from NUS explaining that a number of students from various European countries were being entertained in this country in April, and asking all Universities, etc., to accommodate 53 to 75 of these students for 3 to 7 days. It was unanimously decided, on a proposition from the Chair to approve this scheme in principle, but that the number of students should be limited to 5.

a session be held at the College, U.C.S. to become "honorary members" for that meeting. This idea was unanimously approved, & Mr. Dean was to arrange accommodation.

Two letters on questions of finance were dealt with later.

Asst. N.U.S. Sec.: It had been ascertained that Mr. Gumbrell was willing to take on these duties. Mr. Copps resignation and Mr. Gumbrell's appointment were accordingly duly verified.

Finance: Letters were first read from the Engineering Faculty Society, asking for a grant of £50, and from the Physics Society, applying for recognition as a Union Society, and asking for £19. The latter was dealt with first: ~~the~~^{the} application for recognition was ~~unanimously~~ accepted (1 abstention) on the proposition of Mr. East, seconded Miss Whyte. The Fin. Secs. pointing out that £15 had previously been provisionally allotted to the Physics Society, Miss Bryce proposed and Mr. Hanbury seconded that they be granted the £19 asked for. This was carried unanimously. There was some discussion on the sum demanded by the Engineering Faculty Society, and it was felt that the financial state of the Union did not allow Societies to be extravagant in their travels and expect

UNIVERSITY COLLEGE
SOUTHAMPTON
TEL. 74071

Report of meeting of Sub. Committee
appointed to enquire into the running
of the bar at the Cancer Campaign
Dance held on November 2nd 1946.
Meeting on Mon. Nov. 18th at 1.30 p.m.
in the West Building.

Mr. Coman showed, item by item,
that the expenditure on the bar amounted
to £26.2.8. The Takings at the bar were
only £19.8.8, which was roughly £2.10.0
short of his estimate of what there
should have been, when allowance for
the following factors:—
(a) a large quantity of beer (mils) was either thrown
away, or given away on the Saturday night
on the assumption that it would certainly
have been had by the next morning.
(b) The same thing happened to a smaller
quantity of bitter.
(c) The cocktail was not locked up in S.C. office
much of it had disappeared.
(d) ~~Butter & Sheraton~~ also disappeared from
S.C. Office. P.T.O.

(e) The barman left the bar unattended for a short time.

(f) The band were given some bottled beer.

(g) The guests were given port and/or sherry.

After the Arts Faculty Dance, £2.10.0 was added to the Cancer Dance receipts, this being realised (a) on the cocktails, (b) on a barrel of beer partly ^{at the bar} tapped. The loss on the Cancer Dance was thus reduced to £4.4.0.

The following points were made in the discussion which followed: -

It was suggested that the spirit measure was only equivalent to about $\frac{3}{8}$ of a pint (If this were so, the discrepancy between Mr. Osman's estimated takings and the actual takings would be increased).

Mr. Osman revealed that, given optimum conditions, the bar might have made a profit of £9.10.0.

The Arts Faculty Dance, the equivocal status of Mr. Osman when he ran the bar on this occasion, and the anomaly of the profits going to the barman, were also discussed. Miss Bryce wished to propose that the £2.10.0 realised ^{at this dance} on the Cancer Dance ~~be given~~ ^{should be given} to the Arts Faculty, but it was felt that this ^{should be left to S.C. to decide.}

claims for expenses so incurred to be met by the Union.
Miss Bryce accordingly proposed that £25 be allotted
to the Exp. Soc.; this, on being seconded by Mr.
Holland, was carried against 2 abstentions. It
was unanimously decided that all Secretaries
of Union Societies should be reminded that
travelling expenses could not be automatically
met by the Union, and ^{that} it was their duty to
keep ^{records of} members attending their meetings, to be prepared
at any time to submit their books to the Finance
Committee for inspection, and to render a statement
at the end of each term.

The Union Treasurer, Mr. Shackelford, explained
that several items of expenditure had turned up since
the Budget was prepared, which were not anticipated
at that time, and asked permission to allot
more than the £30, which was the sum at
present, to "General Expenses". £60 was the
sum eventually suggested: proposed by Mr.
Hanslip, seconded by Mr. Cogg, & carried with 1
against.

Bar Sub-Committee Report: A report of the meeting held by
this committee was read by the Secretary (attached
to this page). This provoked much discussion, the
results of which were that, firstly, the report was
accepted (Mr. Miss Bryce, sec. Mr. Holland - 2 abstentions).
Next, it was proposed by Mr. Williams that of any Union
beyond the ultimate responsibility for the Bar should

rest with the Hospitality Committee; that accounts from bars should be presented as completely separate accounts, and that profits from bars should always go to the Society concerned, this being seconded by Mr. Copp, and carried against 4 abstentions; arising from the latter part of the Sub Committee report the following motion was approved near con.: "That S.C. reports that, at the Arts Faculty Dance on November 9th 1946, the bar was run in a private capacity, and without the consent of Hospitality Committee"; finally Miss Bryce proposed that in view of the extraordinary circumstances, the £2.10.0 realised at the Arts Fac. Soc. Dance on Cancer Dance Stock, should be credited to the Arts Faculty, and debited to the Hospitality Committee. This was ^{seconded} ~~proposed~~ by Mr. Williams: "It voted for, 2 against, and 4 abstained; the motion was therefore carried."

A.O.B.

"2ND WESSEX"
SUB-EDITOR.

Mrs. East proposed that Mr. A. Andrews be appointed to fill the vacancy left by Mr. Hallé, who, elected a Sub-Editor of "Second Wessex", had not returned. This was seconded by Mr. Holland, and Mr. Andrews was unanimously elected.

PROGRAMMES
SEC.

Miss Bryce mentioned that important meetings had occasionally clashed recently, and Mr. Evans, Programmes Secretary, was asked to remind people desirous of holding meetings that it was necessary

to consult them before going to the Assoc. Registrar to book a room.

N.U.S. EX-
SERVICE
COMMITTEE
MEETING.

Mr. Orchard stated that an NUS Ex-Service Committee ^{meeting} was shortly to be held, and asked that one delegate might be financed to allow him to travel to this meeting. This was unanimously agreed to.

STUDENT
REPRESENTATION
ON U.C.S. COUNCIL

Mr. Orchard also mentioned that, as everyone knew, "U.C.S." hoped to "expand", and he wished to sound opinion on the advisability of student representation on Council at this College being pressed for. Mr. Orchard was assured that this question would be "borne in mind" and was encouraged to "make enquiries".

TALK BY
PRINCIPAL
ON THE FUTURE.

Mr. Copp proposed that the Principal should be asked to talk to the College on the future of U.C.S. This was seconded by Mr. Wilkes & carried unanimously.

The meeting closed at 6.20 p.m.

minutes of an Ordinary Meeting of Students' Council held in Room 25 on Mon. Dec. 9th at 4:30 p.m.

The President was in the Chair. The minutes of the last meeting were summarised, and agreed.

Business Arising: The Principal would be asked to address the College next term.

Correspondence: The President had received a letter from the "S. T. C. Parliament" suggesting Wednesday, February 19th 1947 for the session at College. This date was approved.

Sales Manager, "2nd-Weeks": MR. CADIER, proposed by Mr. East and seconded by Mr. Downes, was appointed, in the absence of any other nominations.

Carol Party: Mr. Orman reported that all arrangements had been made, including the obtaining of the Chief Constable's permission, for Thursday, December 19th. A notice giving details would be displayed.

Union Bazaar: It was proposed by Mr. Hoarship and seconded by Mr. A. J. Holland that the Stationer (at present Miss Whyte) be responsible for the ordering and sale of these. This was carried unanimously.

A.O.B.

Mr. Archard, N.U.S. Secretary, spoke about an NUS Sub-Committee meeting at which Housing, from

N.O.S.:

Housing.

N.O.S. wishing to prepare a report to present to a Committee of Vice-Chancellors & Principals, the point of view of the Student, had been discussed. ~~Representative~~ U.C.S. had advocated that the maximum size of a Hall should be one accommodating 200 students, but N.O.S. had proposed much greater numbers. He was to put these proposals and counter-proposals before the Union at the meeting on Dec. 12th.

MRS. EAST.

The Chairman announced that Mrs. East was leaving College at the end of the term, and expressed his gratitude for her efforts in many capacities on behalf of the Union. Mrs. East's resignation from the Council was accepted with regret — by Mr. Houslip. See Mr. Osman, carried unanimously.

MECCA'S
MERRY XMAS.

Mr. Archard mentioned the "Mecca Christmas Box Boy" and felt that the way in which students were being "intimidated" was objectionable. References were made in a general way to the "senseless staff", and the Chairman asked what manner of men we were to be perturbed by such people. It was decided that no action should be taken officially.

CYCLE-
SHEDS.

Mr. Archard had also received complaints about the blocking of entrances to the Cycle-sheds by cars and motor-cycles. The Registrar was to be approached on this subject.

CHRISTMAS
BOXES FOR
BEEDLE &
GARDENER

The Chairman introduced the subject of Christmas presents from the Union to (a) the Beedle, and (b) the Head Gardener and his staff. Miss Joyce proposed that in recognition of their services to the Beedle between £1 and The Head Gardener & his staff (of 4) £2/10/- . This was seconded by Miss Whyte, and carried with 1 abstention and 1 against.

EDITOR OF
"2ND WESSEX"

Mr. J. ANDREWS was appointed Editor of "2nd Wessex" in succession to Mr. East - for Mr. East, see Mr. A. J. Holland, no other nominations.

"SOUTHERN
DAILY ECHO"
OF F.E.T. GRANTS

Mr. A. J. Holland queried the President's statement to the local press that no F.E.T. grants had yet been received by ex-service students at U.C.S. Mr. Dean explained that he had given his report over the phone, and had actually said "only a few". He promised to see that the mistake was rectified.

The question of "Wessex News" was next discussed. The printers who had been engaged at the beginning of the term had found that they had made too generous an estimate, and their costs had now gone up by 200%. The College was already being £2/10/- per issue, although the price charged per copy was 4d, and printers both in and

around Southampton were now being rounded. The Editor (Miss Dungeate) declared that great difficulty was being experienced in enticing advertisers to "Wessex News", and Mr. A. J. Holland pointed out that income could therefore be increased only by increased sales, and this, he thought, meant that Old Hostelryans must be pressed to support "Wessex News". Mr. Copp, on the other hand, felt that 20 copies on a duplicator, to be posted on notice-boards and distributed in J.C.R.'s of Halls etc., would be as effective as the present printed "Wessex News". Mr. Copp's idea met with general disapproval, and while Miss Dungeate and her staff ^{were to} pursue their inquiries, it was decided that the Business Manager staff of Wessex News shall produce a statement of accounts of this town's "Wessex News" at the first S.C. meeting of next term — for Mrs. Bose, sec. Mr. Hanslip, and carried unanimously.

The meeting closed at 5.30 p.m.

The President was in the Chair, and the minutes of the last meeting were read and signed.

Business Arising: The Principal was to address the Union on Monday, January 27th in the Refectory at 5.15 p.m. Mr. Evans (Programmes Sec.) was asked to ensure that no other meetings be arranged at this time.

Correspondence: 1. The Secretary of the Camera Club had written applying for a monetary grant to enable them to convert a room they had been given into a dark room. It was decided to inform the Camera Club that S.C. recognizes them as a Union Society and asked ~~that~~ ^{that} ~~they~~ ^{they} submit an estimate of their expenditure to S.C. for consideration — proposed by Mr. Belland, seconded by Mr. Hanslip, and carried by 10 votes to 1.

2. N.U.S. now stated that the proposed ^{July} Council meeting would not be held at Southampton. Since Durham, the original choice, was after all available. I.S.S.
BROADCAST
APPEAL.

4. A letter was read from I.S.S., who gave details of a B.B.C. appeal which was being made by Dr. Malcolm Sargent for I.S.S. funds. The College was asked to publicise this broadcast by notices in J.C.R.'s, cards to the staff, and letters in local presses. The Chairman said that the I.S.S. The Labour Party reaffirms their opposition to racial discrimination, etc. and ventures the information that they had taken the trouble to ascertain that the ban on coloured people, enforced by the Labour Club, had its origin in a restriction imposed during the war, when it was found expedient to ~~prevent~~ refuse admission.

A COLOUR BAN.

to coloured American troops. This ban had never been rescinded, but a motion was to be put before the next meeting of the Labour Club, proposing the lifting of the ban. The result of this meeting was to be communicated to the College.

The Chairman had replied to the Labour Party, approving of their letter, and as the result of a discussion on the matter, it was decided that pending the result of the Labour Club meeting, no letter should be written to them for a few days, but that in any case they should be informed of the College's strong disapproval of the principle involved in the enforcement of such a ban.

UNITED
NATIONS
STUDENTS
ASSOCIATION.

6. In a letter from the United Nations Association, it was stated that the U.N. Students' Association had now been formed, & it was hoped that a branch would spring up at U.C.S. The Chairman remarked that in his opinion, this should be an independent society, and not subsidised by Union funds: a notice would be posted, and it was hoped that the necessary enthusiasts would come forward to arrange an inaugural meeting.

SCIENTIFIC
PARLIAMENT.

The Southampton Parliament has arranged to hold their College Session on Wednesday, March 5th.

Sub-Editor, "Hesperus": As no nominations were at hand, this matter was deferred until the next meeting.

Statement from "Hesperus News": The Editor (Miss Dungeate) reported that losses on last term's issues came to (approx.) £22, or rather less if certain vacation income were taken into consideration. Miss Dungeate gave details of income and expenditure for each individual issue, and it was seen that considerably more was lost on the Christmas issue than on the other issues combined. For the Christmas issue, which was double normal size, printers' costs had been doubled, whereas the paper was sold at only 6^d, and not 8^d: been at this price, however, for fewer copies of the Christmas issue were sold than of any other one issue. Furthermore, for the last two issues of last term, printers' costs had gone up by 20%.

New printers had eventually been secured for the Spring term, and they had undertaken to print 500 copies for £7.10.0, which ~~is~~ compared favourably with Cox & Sharland's original price. Miss Dungeate stated that expenses would hereforward be just covered, if 500 copies were sold each.

line at 4th each.

Various suggestions were made as to the best time and place of selling "Wessex News", and Miss Dungate's report was unanimously accepted. Another statement should be made at the first meeting of the Summer Term, and S.C. should be consulted if any further difficulties were encountered. Miss Dungate was thanked for the trouble to which she had gone to engage the new printers.

N.U.S.
COUNCIL MEETING
FEB. 29, 1947.

Mrs. Archard, N.U.S. Secretary, brought the N.U.S. Council meeting of February 8th & 9th to the notice of the meeting. Mrs. Archard herself was unanimously appointed as U.C.S. delegate: he then detailed a number of topics which would be discussed at next month's meeting, with regard to which, he felt the delegate should be given a mandate.

MANDATES

ONE-(A)
REPRESENTATION
ON N.U.S. OF
MEMBERS OF OTHER
COUNTRIES' UNIONS
IN THIS COUNTRY.

On the matter of members of other countries' unions who were in this country, it was generally felt that they should have representation on N.U.S. This was to be discussed by the Union on January 30th, at the Union meeting.

(B) AFFILIATION
OF N.U.S. TO I.U.S.

Similarly, S.C. were in favour of N.U.S. being affiliated to I.U.S. — also to be put before the Union.

(C) HOUSING. Opinions on housing has been given last term.

(D) GERMAN STUDENTS. The question of German students has. Archard asked to be left over pending certain information.

(A) MANCHESTER BUS-STRIKE & N. U. S. With regards to the recent Manchester bus strike, it was decided to support N. U. S. in their statement in which they dissociated themselves from the actions of individual students in connection with the strike. Passed by 9 votes to 1. This should also go before the Union.

(F) RACIAL DISCRIMINATION. Racial discrimination has been discussed previously.

NOTICE - BOARDS. Miss Bryce detailed ingenious schemes whereby the various notice-boards might be perused in comfort, and with less wasting of time in searching for notices on a particular subject than, for example, the miscellaneous mass which now covers the main board. It was proposed that the College Authorities be approached, and that the specified alterations should be considered. 9-0, 1 abstention.

Mr. Archard felt that a motion should be framed and put before the Union on the subject of Government-funded aided students working during vacations. The following motion was carried unanimously: -

GOV'T GRANT
AIDED
STUDENTS
+
VACATION
WORK.

"That we the members of S.C. are of the opinion that during the present man-power shortage the practice of deducting 50% of a student's gross vacation earnings is detrimental to the national interest. We are of the opinion that students should not be financially discouraged from participating in suitable employment. We further call on N.U.S. to press for a clear statement of policy from the Ministry of Education on this question, and suggest that deductions, if any, should be based on net, rather than on gross, earnings."

DELEGATES
TO
UNION BAUS

The Chairman asked the meeting to make a ruling on the financing of delegates to other Union Baus. It was unanimously decided that our Union pay the whole train fare in such cases.

COFFEE
WITH THE
PRINCIPAL

Mr. Archard asked permission to bring up a "small issue" in connection with his cherished theme of student-staff co-operation. He enquired what had happened to the Principal's offer, at the dinner at the end of last term, to meet S.C. occasionally over a cup of coffee. The Chairman replies that he (the President), the Vice-President, the Secretary of the Union were invited to take coffee with the Principal on alternate Wednesdays.

The President was in the chair.

The Chairman had convened the meeting on discovering a letter which had been mislaid, but which ought to have been in his hands in time for the ordinary meeting on Jan. 20th. The letter was from the Principal, who had heard from Canon Spencer Leson, who stresses the need for youth-work volunteers in his parish of St. Mary's, Southampton, and expressed the hope that some College students might undertake work of this kind. The outcome of the discussion which followed was that ^{it was agreed that} the Science Department would probably be more competent to decide on what action to take than Students' Council, and further that Canon Leson had been rather vague in stating just what was required; Miss Joyce

(Mr. A. J. Holland proposed) — or failing her, the President or some other competent Union official — should therefore contact ~~some~~ Canon ~~Leson~~ immediately (since he chanced to be at this time in the adjoining S.C.R.) in the hope of discussing the matter with him more fully. This was seconded by Mr. Osman, and carried by 8 votes to nil, with 1 abstention.

Miss Boyce had also seen Canon Spencer Leeson on the subject of youth-work in St. Mary's Parish, and Canon Leeson had agreed that present requirements were extremely vague. S.C. were to take no action yet, but Miss Boyce hoped to see Canon Leeson ^{again} on the following Thursday.

Correspondence: 1. A letter was read from Mr. Gwynne Evans, Secretary of Hospitality Committee, pointing out that it was desirable that delegates from other Universities to our Union Ball should be accommodated in the Halls, and that Hospitality Committee felt that any requests to Warden would have greater weight with the backing of S.C. It was proposed from the Chair that S.C. consider it desirable that if possible such delegates be accommodated in Halls. This was carried unanimously.

2. Mr. Vernon, Secretary of the Amateur Radio Society, had written complaining of having to postpone a meeting twice, owing to other meetings clashing. The Chairman stated that a meeting of the Programme Committee was to be held shortly, and it was decided that the situation at present obtaining should be discussed at that meeting, with a view to improving it (P. Mr. A.J. Holland, sec. Mr. Holland, carried unanimously).

3. Mr. Willmer had written tendering his resignation from S.C. on the advice of his tutor. In the circumstances Mr. A.J. Holland proposed that Mr. Willmer's resignation be accepted - seconded by Mr. Orman, carried unanimously. A vote of thanks was accorded to Mr. Willmer for his work in the post, from the President & members of the Council.

The post of Union Recorder would now become vacant, and nominations were asked for. The name of MR. DOWNER was put forward by Mr. Holland, and seconded by Mr. Shackelford. In the absence of any other nominations, ^{Mr. Downer} was declared Recorder.

In view of the necessity of another by-election, Miss Joyce commented on the Scouty publicity that had been accorded to the last one, and further proposed that the Returning Officer be asked to ensure that in future elections be held

on Thursdays, and not on Tuesdays (in which case the statutory 3 days which elapse between the last day for nominations and polling-day include the week-end, when many people are away from College). Seconded by Miss Whyte, and carried unanimously.

2ND WESSEX.

4. Mr. Willner had also written to the Editor of 2nd Wessex, tendering his resignation from the post of sports Editor of the magazine. In the absence of any nominations for this position, the matter was deferred until the next meeting, the Chairman having proposed that the resignation be accepted, and this having been carried unanimously.

SIXTH
PARLIAMENT.

5. Sixth Parliament had written to confirm March 5th as the date of the College "Session".

CAMERA
CLUB

6. The Secretary of the Camera Club had submitted the Club's estimate of expenditure for the remainder of the present session. This amounted to £11.15.0, and it was pointed out that initial expenses would necessarily be heavier than those for the normal year in the future. Mr. Orman proposed that this estimate be accepted: this was seconded by Mr. Shackleton, and carried nem. con.

S.O.H. Revision Committee: Mr. Baylis was proposed by Mr. Orman

and seconded by Mrs. Evans; Mr. Girdler Evans was proposed by Mr. Orman and seconded by Mr. Atwater. As it was now thought, however, that there should be one ^(under the Constitution) member person of each sex on the Committee, Miss Whyte was proposed by Miss Boyce and seconded by Mr. Evans, and the name of Mr. G. Evans was withdrawn. MR. BAYLISS and MISS WHYTE were then declared appointed to the Committee.

Sub-Editor, "Limessex": The Editor had still made no suggestions, and the President promised to remind him that a Sub-Editor and a Sports Editor were now required to be ratified.

Union Society Reports: Reports on last term's activities had now been received from all Union Societies, with the exception of the French Club (in accordance with a resolution passed by S.C. on Nov. 25th 1946). Mr. Orman proposed that they be placed in the basket in S.C. Office for members of Council to peruse during the next fortnight, and discussed at the next meeting. Seconded by Mrs. Boyce and carried unanimously.

A.O.B.: The Chairman asked that his visit to Reading University's Union Hall on February 7th with parties be ratified by S.C. This was proposed by Miss Boyce, Sec. Mr. Orman, carried unanimously.

PRESIDENT
READING
UNION BALL.

There had also been an invitation from Newcastle, but the President did not think the expense was warranted.

Mr. Evans thought that a bus, van, or jeep for use for rags, and for conveying of drink, etc. for dances, would be a useful acquisition, and suggested that the War Office or Air Ministry might make the Union a present of one. The Chairman had often urged on the generosity of these departments, however. Miss Bryce thought the best approach would be through the Principal, and Mr. Bayliss proposed that the representatives of S.C., at their next informal coffee meeting with the Principal, discuss with him the possibilities of obtaining a vehicle of some kind, or of having access to the existing College bus on occasions — and report back to S.C. at the next meeting. This was seconded by Mr. M. Holland, and carried unanimously.

MR. A. J. HOLLAND

2. Mr. A. J. The President brought to the notice of the meeting a letter from Mrs. Ashton, who proposed to move at the next Union meeting that a library of Gramophone records be established for the benefit of the Union. There was some discussion as to the ^{the} principle involved regarding the large list of proposed visits of the Engineering Faculty Society. Mr. Michael Holland eventually decided to bring this before the next Union meeting, and it was proposed from the Chair that the reports be accepted - carried, against 4 abstentions.

Vice-Chancellor's Committee (Halls of Residence): A Committee of Vice-Chancellors would be visiting Southampton on Wed. Feb. 26th to discuss future halls of residence. The number of Student delegates from UCS to meet this Committee had originally been 4, but Miss Lightbody, who was a member of the Committee, had been prevailed on by the President of the Union to get the number increased to 6. The following people were nominated to meet this Committee: Mr. Orchard (N.U.S. Sec.), the Presidents of the I.C.R.'s of the 4 residential halls, & the President of the Union (Mr. Dean). These were declared elected in the absence of any other nominations, and they were requested to report back at the next S.C. meeting.

Printing Press: A motion had been passed at the last Union meeting that S.C. be asked to investigate the possibility of the College having its own press.

Opinions differed as to whether it would be a sound economic proposition, but Mr. Orchard thought that the Engineering Society Society should be asked to obtain certain specified ~~technical~~ information (cost of initial entry, etc., etc.). The proposal of Mr. A.J. Hollands, Sec. H. Evans, was however finally adopted: that a letter be written to the Principal expressing the hope that the College would take steps to acquire a "University Press" on receipt of its charter.

N.U.S.
CONGRESS

The President introduced the Subject of N.U.S. Congress to be held at Liverpool during the Easter vacation. The number of delegates to be sent, on what basis they were to be chosen, and the extent to which they should be financed, were to be decided. It was decided Mr. Evans that there should be 4 delegates, the Union paying each of them £3.10.0 towards the week's expenses (which would be £4.12.6 approx) plus ~~his~~ ^{the} return railway fare between the delegates' home and Liverpool. This money would come from N.U.S. funds, where about £20 was available for financing of delegates to Congress. It was unanimously decided, after a discussion on the advisability of delegates being chosen on a faculty basis, that a Committee consisting of the President, Secretary of the Union and of the N.U.S. Secretary, should submit 4 names to S.C. at the next meeting, giving reasons for their choice.

REFLECTORY,
GINGERING
UP OF.

Mr. Hanslip painted a depressing picture of the fare offered by Refectory, and thought they should be "picked up". The President said the Principal was seriously thinking of taking over the Refectory, and meanwhile it was thought that a committee might be formed to interview the managers and make suggestions: for Mr. Bayliss, Sec Mr. M. Holland, carried, with 1 against & 1 abstention. The following were appointed to the committee: the President, Mr. Evans, Mr. Hanslip, Miss Boyle & Miss Crabb.

The Jun. Treasurer (Mr. Shackelford) proposed that the auditors used by the College be employed this year by the Union. Sec. by Mr. Hanslip, & carried unanimously. Mr. M. minutes of an Extraordinary Meeting of Students' Council held in S.C. Office on Wed. 3rd Feb. 1946 at 1.10pm.

The President was in the Chair.

The meeting has been called to discuss a letter from the Principal, enclosing a letter from the O.C. 7th Cadet Bn. Royal Hampshire Regt., together with a bill for £25.10.0, the cost of repairs done to a van belonging to the Bn. which was damaged, he alleged, by students of the College during a rag on November 5th 1946.

It was unanimously resolved that the money should not be taken from Union funds; and it was felt that, in any case, the figure quoted was excessive, and out of proportion to damage actually done on the occasion in question. If a collection were organised, the College might be admitting its liability, and setting a precedent, and it was thought that the matter ought first to be interviewed by some intermediary to see whether the quoted figure might be reduced. It was not wished, however, that the Principal be put in too embarrassing a position.

Mr. Bayliss, on his suggestion, would see Captain Brandram, Adjutant of the S.T.C., in the hope that the S.T.C. might have some contacts with the Cadet Force, and thus be able possibly to talk the Major down. Mr. Bayliss would report

back to S.C.

The following motion was then proposed from the Chair, and carried unanimously: That the Principal be asked to carry on negotiations with the Mayor with a view to obtaining a more accurate estimate of the costs of repairing the damage.

It was reported that it would now be possible to accommodate 2 Union Bath delegates at Connaught Hall, provided that 2 people went down on the Friday.

On the subject of the November 5th incident, the President said that he had made the following points in a letter to the Principle: (a) that the claim was considered to be excessive in comparison with the damage done; (b) that he considered that an opportunity should have been accorded to him or to his representative of inspecting the vehicle in November, immediately after the incident; and (c) that he was reorganising a collection. This collection, the President said, had reached £1.17.3. Meanwhile the Principle was getting expert advice from the Engineering Faculty on the probable extent of the damage. Mr. Bayliss said that Captain Brandram had not been able to give much help, but knew that the van in question was an old one when obtained last year. The discussion

It was decided, on the proposition of Mr. Harship, seconded by Mr. Shackelford, that the Historical Society should be recognised as a Union Society, though no money could be made available to them this session. This was carried, with 1 against.

RESIGNATION
OF
SECRETARY
OF S.C.

A letter would have been read from Mr. Dart, had the President not failed to bring it to the meeting. Mr. Dart in the letter had pointed out the inadvisability of his continuing to act as Secretary of S.C., with Finals to be taken in June, and therefore ^{was} tendering his resignation from this position. This was accepted, and the President pronounced a eulogy on Mr. Dart's ~~for~~ ^{his} minute-taking. After several potential successors to Mr. Dart had pleaded too many other commitments, Mr.

Downer allowed himself to be proposed & seconded, and was appointed Secretary of S.C.

N.O.S. Congress Delegates: The Committee appointed at the last meeting produced the names of 6 people, and were finding difficulty in reducing this number to 4. The President (Mr. Beak), however, was willing to withdraw, believing it better that the "Philistines" should be "preached" to than the "converted". It was then decided, on realising that Mr. Bayliss, one of the remaining 5, lived only 10 miles from Liverpool, that 5 delegates should be sent instead of 4, and that Mr. Bayliss should be paid £2 plus 4/- a day railway fare. The 5 delegates were to be Miss Hawkins, Messrs. Orchard, Bayliss, Gumbrell and Mr. Holland.

Vice-Chancellors' Halls of Residence Committee: of the Committee of 6 appointed to meet this Committee, the 4 who were members of S.C. gave brief accounts of their experiences. Generally speaking, Mr. ~~Orchard~~ was the only one of the four not to ^{have} found it difficult to keep his opposite number on the subject of Halls. Mr. ~~Orchard~~ had found the person allotted to him in agreement for the most part with the Union's view on numbers, the block system, etc. etc. Mr. ^{Dean} ~~Orchard~~ had insisted that if members of staff were to live among students, such members ought to be

hand-picked. Mr. Bayliss had talked to Miss Lightbody, and they agreed that the Corridor System was more suitable for women's halls. Mr. Bayliss also thought that if members of staff were to mix with students, they should be specially selected. Mr. Bayliss had been invited to have coffee with Miss Lightbody some time.

Mr. Archard emphasised that the Principal should be approached soon with a view to discussing the Glen Lyle Halls. It was unanimously decided, therefore, that the President should sound the Principal as to whether he would be willing to hold such a discussion with the Committee which met the Vice-Chancellor's Committee - this Committee to have power to co-opt.

Report from Programmes Committee: At the meeting of the Prog. Comm. it was recommended that this Committee should in future consist of the Vice-President of the Union (Chairman), the Programmes Secretary (Secretary), and the Secretaries of the Faculty Societies, and should meet fortnightly. Mr. Holland proposed that S.C. suggest to the Union that the above recommendation be accepted. This was seconded by Mr. Henslip, and carried: 6 for, 2 against, 4 abstentions.

Profits from Dances: Mr. Holland did not approve of the Engineering Faculty Society's being enabled through

the large profit they had made on their dance, to make such a large number of outside visits. The President pointed out that on the other hand the money was in Union hands all the time, and had to be spent as S.C. agreed, and reminded Council that they had accepted the Cong. Soc. Soc.'s report at the last meeting. Mr. Dean submitted that the organisation of dances during the session to date by the faculty societies, etc., under the present system, had been most successful. The matter was discussed at some length, Mr. Archard clarifying the situation by observing that two separate topics were really involved: (a) whether the principle of faculty societies running dances, & having access afterwards to any profits, was approved of; and (b) should Union funds be spent on visits? With regard to (a) the following motion was eventually carried, with 2 against: that Union Societies running dances shall be responsible for the financial aspect of them: any losses shall be met from the Union front to that Society, whilst any profits shall be credited to the Society's account, and spent in accordance with the normal rules for expenditure of Union Society funds. With regard to whether Union funds should be spent on outside visits, no resolution was passed. There was a difference of opinion as to whether S.C. at the beginning of the session, when they made it known that outside visits, entailing

considerable expense, would not be countenanced, disagreed with such visits on principle, or merely because the financial state of the Union did not warrant the expense. It was felt that in any case, however, little could be done with regard to this session's arrangements.

Constitution Sub-Committee: It was agreed that a committee should be formed to overhaul the constitution. The following were to form the committee: The President, the President & Vice-President-Elect, the Secretary of the Union, Messrs. England, Munro & Smith (LA). Mr. Archard's proposed amendments to the constitution were referred to this committee.

Finance: The President had bought a "Programme" diary for 7/6 and £1 worth of carbon-paper. He therefore proposed (from the Chair) that the President ^{be empowered to} buy a diary and £1 worth of carbon-paper. This was carried unanimously.

however, which was the ~~price~~ ^{charged} rental previously

excessive. It shall be charged Union Societies holding

N.V.S. wanted to know if U.C.S. was willing to stage the 1948 Congress, which is to be held March 31st - Apr. 7th. N.V.S. anticipated the number of delegates to be between 500 and 600. Mr. Holland reminded Council that the burden of housing the students, and arranging entertainment during the week, fell on the Union. Mr. Bayliss said that in view of what he had experienced as President of Hospitality Committee he did not feel that the Union could shoulder the burden. It was pointed out that the only places suitable for Plenary Sessions (600 delegates) were the Guildhall & Arundel Hall which may be difficult to obtain. Mr. Archard drew Council's attention to the fact that N.V.S. Council was being held at U.C.S. in July when about 100 students will be present. Mr. Bayliss proposed that owing to the shortage of accommodation N.V.S. should be informed that we ~~were~~ ^{are} unable to accommodate the 1948 Congress. Seconded by Miss Brabb. Passed unam.

④

N.V.S. CONGRESS

Mr. Archard announced that reports of the 1947 N.V.S. Congress would be given under separate sections by the delegates as follows:

⑧

DRAMATIC SOCIETY

The Treasurer read out a request by the Dramatic Society for a loan of £50. Mr. Bailey spoke for the Dram. Soc. He said that the Dramatic Society had had to abandon ^{production of} Priestley's "Johnson over Jordan" since the author thought that its production, which needed considerable technical experience, could not be satisfactorily ~~for~~

done by an amateur company, and it may defame his reputation. Although the society had already spent £50 on this play (copies, scenery, etc.) ~~they~~ it was determined to produce a play on the dates already fixed. The play to be produced is the "Master Builder" by Henrik Ibsen. A rough statement ~~was~~ of accounts was produced by Mr. Bailey, but he was asked to hand in a concise account to the Treasurer by Friday.

It was proposed by Mr. Sager that subject to copyright permission being obtained, and a detailed estimate being handed in by Fri. May 9th, Finance Committee be asked to grant a further loan of £50 to the Dramatic Society. Passed unanimously. The Treasurer asked that the final account be closed before the end of term. Mr. Orchard suggested that the account should be closed by June 16th. This was proposed from the chair & passed unan. The President asked Mr. Bailey about entertainment tax - the latter thought that more would have to be paid but would enquire about it. Mr. Bailey asked for £5 netty cash to be immediately given to Dram. Soc. for the carrying on of arrangements. Granted.

Mrs. Brabb proposed that it should be made known to the Dram. Soc. that S. C. appreciates its efforts to withhold the reputation of the College by their determination to produce a successful play. Passed unanimously.

Mr. Holland asked the Pres. of Hospitality Committee if the date of Air Squadron Dance had definitely been changed from June 14th to May 31st. DAMAGE TO

TRUCK.

The President was instructed by the Principal to have ^{the} reparations for the damage done to the van damaged on Nov. 5th. to be made as soon as possible. Mr. Leach, of the Engineering Faculty, had estimated that the most reasonable figure for damage done was £15. After much correspondence between Major Rhodes & the Principal the two met and Major Rhodes agreed to accept £16.

The President stressed the point that the money should not, in his opinion, be paid from Union Funds, but should come from the students involved. The tin put in T.C.R. had only brought in £2 towards the cost. Mr. Lopp suggested a levy of 2/- on all students who took part in the Rag. Mr. Baylis thought that with better propaganda, & the collecting box in a more conspicuous position, students might be induced to contribute.

Mr. Sage proposed that appeals be made to the Halls. Passed with one abstention. Mr. Archer suggested that a strong appeal be made to the Union at the next Union meeting, stressing the responsibility of the students to make good the damage.

Introducing this subject Mr. Archard spoke of the college building programme which had been restricted because of shortage of labour & materials. There was plenty of wood belonging to the college which could be used for new huts. Mr. Archard thought that students should take the initiative and help in small projects under the supervision of Capt. Widdle during the summer vacation. The meeting agreed on the principle & the President said he would see the Principal and inform him that S.C. was keen on the idea of Student Labour, and would ask for details regarding type of work to be done, rate of pay etc..

SECOND
WESSEX

The Junior Treasurer produced a statement of
accounts of Second Wessex. The excess
expenditure was £4-1-0 and another edition

increase in the grant was necessary for this to be
produced.

It was felt by several members that although
the quality of the last issue was good it

The President proposed that the grant to
Second Wessex be increased to £24 on the
recommendation that reports of college activities
be included in the next issue.

CORRESPONDENCE

I. S. S.

The I. S. S. Summer conference is to be held at St. Salvator's Hall, St. Andrews from July 28-Aug. 2nd. The cost of the conference is £3 + a Registration Fee of 5/- Mr. Baylis proposed that a delegate be financed (covering cost of fare + conference) to go to this conference. Seconded Mr. Handlip. This proposal was amended by Mr. Holland to the financing of two delegates. Seconded Mr. Head. The amended proposal was passed 12 for - 2 abstentions.

ENG. FAC. SOC.

The Eng. Fac. Soc. asked S.C. to reconsider their decision which prevented them from subsidising the fare of a trip to Farnborough. The President had allowed this matter to be discussed again as he felt that not all members at the last meeting were clear of the issue at stake. The Eng. Fac. Soc. had wanted the money to be taken from

the profits of their dance.

Mr. Holland proposed that Mr. Wells (Chairman of the Eng. Fac. Soc.) be co-opted to present the case of the Eng. Fac. Soc. Passed unanimously.

Mr. Wells gave a very clear account of the position. He explained that before they held their dance the Eng. Fac. Soc. had been told that if they sustained a loss it would have to be met by the Eng. Fac. Soc. No definite ruling was made as to what should happen to any profits they made. After the trip to the Vis Station at Farnboro' had been fixed it was decided that the charge should be 5/- so that no student would be barred from going because of the cost. The rest of the fare was to be withdrawn from their dance profit. At the time of this decision the Eng. Fac. Soc. thought that no difficulty concerning the subsidizing of the fare, would arise. Since S.C. had informed the Society that they would not subsidise the fare the Society had a bill needed and they had to pay the bill. Mr. Wells said that he did not feel that he could ask the students who went to pay the rest of the fare.

Mr. Baylis, in answer to his question, was told that the visit had not been advertised to the whole Union, & only Eng. students went, but it had been intended that all students of the Union should have the opportunity to go.

Miss Tulip pleaded for leniency towards the Eng. Fac. Soc. since no definite rule, concerning the using of dance profits, had been made. She proposed that S.C. reverse their former decision + grant the Eng. Fac. Soc. £4 from their dance profits. Seconded Miss Richards + passed with 1 abstention. The President said that the blame for the affair rested as much with S.C. as it had not made rules regarding the spending of Grants + Profits of Union Societies.

BIOLOGICAL SOCIETY

The Junior Treasurer announced that the Biological Society asked for a grant of £6 to be taken from their grant to subsidise a trip to the Isle of Wight. Since the Biological Society had budgeted for this trip, at the beginning of the session, they would be allowed the required sum.

budgeted for £2008 but had been allocated £1300
It was almost certain that a further £650
would be granted to A.V. by college council.

The estimated surplus of £118 would be set
apart to provide for eventualities such as will
be incurred when we have use of the new Sports
Ground etc.

Mr. Head pointed out that at the present
loss of £34 per issue of Wessex News the
grant of £50 would only allow the production
of 12 copies. If the loss on Wessex News is
greater than £50 would the money required for
more issues be granted from the estimated surplus.
Mr. Holland replied that the Editor of Wessex
News must find a means of getting rid of more
copies, thereby clearing his accounts.

Mr. Holland said that the part-time services
of college typists had been asked for because
of the amount of office work now incurred.

Mr. Archard felt that the inefficiency of the
Union ~~was~~ organization was partly due to
the lack of a good filing system + typing.

Mr. Archard, replying to Mr. Baylis, said that
a consistent policy for the allocation +
spending of grants to Societies had been formulated.
Copies of the results of discussions on this subject
were to be posted on the notice boards.

The Provisional Budget was ratified by the S.C.
